

Regional Water Pipeline Urgent Repair – February/March 2022

On Feb. 21, the Water Authority will begin work to replace a 40-foot section of a regional water pipeline just north of West Lilac Road in Bonsall.

Starting Feb. 28, crews will begin a 10-day period of work *around the clock* to expedite and complete the repair.

Crews will excavate a 60x20-foot area to access and remove sections of pipe. New sections of pipe will be installed, welded and encased with concrete. Noise and visual impacts include saw cutting, heavy equipment with backup beepers, and nighttime lighting.

We appreciate your patience with this urgent repair work.

Project Schedule and Work Hours

Feb. 21 to 27 Work hours: 7 a.m. to 5 p.m. (preparation)

Feb. 28 to Mar.9 Work hours: 24 hours per day (repair)

Mar. 10 to 31 Work hours: 7 a.m. to 5 p.m. (restoration)

For more information, call (877) 682-9283, Ext. 7009
or email CIPinfo@sdewa.org.

This work will not affect delivery of water to your property.
