

NOTICE OF PUBLIC HEARING

Pursuant to California Water Code 10642, the Board of Directors of the Rainbow Municipal Water District will conduct a public hearing, which you may attend, at its District Office, located at 3707 Old Highway 395, Fallbrook, CA 92028, or via Zoom, at <https://rainbowmwd.zoom.us/j/85664315900>, on Tuesday, May 26, 2026, at 1:00 p.m., to solicit comments on, and consider the adoption of the 2025 Urban Water Management Plan (UWMP) and 2025 Water Shortage Contingency Plan (WSCP).

The draft UWMP and WSCP will be available for public review on the District's website at <https://www.rainbowmwd.ca.gov/>. A hard copy will also be available for public review during normal business hours at the Customer Service counter located at the District's office at 3707 Old Highway 395, Fallbrook, CA 92028, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday. Please send your questions and comments to Konstantin Shilkov, at KShilkov@rainbowmwd.ca.gov.

PROPOSED CEQA FINDING: Staff will recommend that the Board of Directors find the proposed action is exempt from the California Environmental Quality Act (CEQA) review, in accordance with CEQA Guidelines §15061 (b)(3), the general rule that CEQA only applies to activities that may have a significant effect on the environment, because the 2025 UWMP and the 2025 WSCP are merely an update to the 2020 UWMP and 2020 WSCP.

If you challenge the adoption of these plans or the CEQA finding, or any provision thereof in Court you may be limited to raising only those issues you or someone else raised at the hearing described in this notice or in written correspondence delivered to the Rainbow Municipal Water District, at or prior to the meeting. The hearing may be continued, adjourned, or cancelled and rescheduled to a stated time and place without further notice.
