## ***NOTICE OF PUBLIC HEARING***

### ***PERTAINING TO PROPOSED ENERGY SERVICES AGREEMENT AND RELATED MATTERS***

**NOTICE IS HEREBY GIVEN** that in accordance with California Government Code Section 4217.10, et seq., the Board of Directors of the Rainbow Municipal Water District (“District”) will hold a public hearing regarding a proposed Energy Conservation Program to be entered into between the District and Opterra Energy Services, LLC. The Program provides for the installation and maintenance of Solar PV systems at the Headquarters location, a Battery Energy Storage System at Rainbow Heights Pump Station, Installation of generators at Dentre, Rainbow Hills, Vallecitos, and West Lilac Pump Stations, Electric Vehicle Charging Stations at the Headquarters location, the retrofitting and/or installation of new lighting at the Headquarters location, and a financing agreement with a financing company for the implementation of such Program. The District anticipates that the implementation of the Program will result in energy-cost savings for the District in excess of the cost of the energy conservation project. The Board is required to make certain findings in line with the foregoing sentence. Copies of the District Board report and the applicable agreements are available for the public review, upon request at the District’s administrative offices located at 3707 Old Highway 395, Fallbrook, CA 92028.

The hearing will be open to the public and will be held at the following date, time, and location, or as soon thereafter as practicable. All interested persons in attendance will have the opportunity to be heard.
