#### **BOARD ACTION ITEMS**

\*9. DISCUSSION AND POSSIBLE SELECTION OF DIVISION THREE DIRECTOR AND APPROVAL OF RESOLUTION NO. 17-05, A RESOLUTION APPOINTING \_\_\_\_\_\_ AS DIRECTOR OF DIVISION THREE OF THE RAINBOW MUNICIPAL WATER DISTRICT

(On December 31, 2016 Director Tory Walker resigned from the Board of Directors thereby leaving the Board seat for Division Three vacant. At the December 6, 2016 Board meeting staff was directed to proceed with the solicitation of interested persons for the Board to consider for appointment to the Board. A list of prospective appointees will be forwarded to the Board prior to the meeting.)

- \*10. APPROVAL OF RESOLUTION NO. 17-01 ESTABLISHING CHECK SIGNING AUTHORITY

  (The purpose of this Resolution is to establish check signing responsibilities and designate authorized signers of checks due to changes in Board Members. Resolution No. 17-01 will replace Resolution No. 16-22.)
- \*11. CONSIDERATION AND POSSIBLE ACTION TO APPROVE RESOLUTION NO. 17-02, A RESOLUTION OF THE BOARD OF DIRECTORS OF RAINBOW MUNICIPAL WATER DISTRICT COMMENDING DENNIS SANFORD FOR HIS OUTSTANDING SERVICE AS A DIRECTOR AND BOARD PRESIDENT

(Dennis Sanford served as the Division 5 director on Rainbow Municipal Water District's Board from April 2011 to December 2016. In addition, he served as the Board President during his tenure. Resolution No. 17-02 commends Dennis Sanford for his dedicated service.)

- \*12. CONSIDERATION AND POSSIBLE ACTION TO APPROVE RESOLUTION NO. 17-03, A RESOLUTION OF THE BOARD OF DIRECTORS OF RAINBOW MUNICIPAL WATER DISTRICT COMMENDING RICHARD BIGLEY FOR HIS OUTSTANDING SERVICE AS A DIRECTOR (Richard Bigley served as the Division 2 director on Rainbow Municipal Water District's Board from March 2016 to December 2016. Resolution No. 17-03 commends Richard Bigley for his dedicated service.)
- \*13. CONSIDERATION AND POSSIBLE ACTION TO APPROVE RESOLUTION NO. 17-04, A RESOLUTION OF THE BOARD OF DIRECTORS OF RAINBOW MUNICIPAL WATER DISTRICT COMMENDING TORY WALKER FOR HIS OUTSTANDING SERVICE AS A DIRECTOR (Tory Walker served as the Division 3 director on Rainbow Municipal Water District's Board from January 2015 to December 2016. Resolution No. 17-04 commends Tory Walker for his dedicated service.)
- \*14. CONSIDER REVISION OF EXISTING AGREEMENT (#99-026) BETWEEN RAINBOW MUNICIPAL WATER DISTRICT AND OAK CREST ESTATES, INC. CO-OP

(This agenda item is for the Board to approve the revision of existing Agreement #99-026 between Rainbow Municipal Water District (RMWD) and Oak Crest Estates, Inc. Co-Op. Due to recent changes in wastewater treatment plant state requirements, the Oak Crest Estates Wastewater Treatment Plant the District oversees per Order #93-69 of the California Regional Water Quality Control Board, has now been classified requiring a Wastewater III Certification or higher. RMWD is required to meet and follow State Water Resources Control Board requirements under Title 23 of Division 3 of Chapter 26: Wastewater Treatment Plant Classification, Operator Certification & Contract Operator Registration Code of Regulations.)

(\*) - Asterisk indicates a report is attached.

# \*15. DISCUSSION AND POSSIBLE ACTION ON ADMINISTRATIVE CODE VARIANCE REQUEST TO ALLOW EXCHANGE FOR LARGER METER TO MULTIPLE METERS ON THE SAME PROPERTY

(Mr. Helling purchased an 18+ acre property on 931 Steward Crest Road with an existing 2-inch meter. He is requesting he receive credit for the 2-inch water meter in exchange for multiple smaller meters to be installed on the same lot. This requires a variance to the administrative code since credit is only given when the property owner subdivides and the meters go on separate legal lots.)

\*16. DISCUSSION AND POSSIBLE ACTION TO ADOPT ORDINANCE NO. 17-01 AMENDING AND UPDATING RMWD ADMINISTRATIVE CODE SECTION 3.01.010-REGULAR MEETINGS

(In light of recent changes to the schedule of the combined meeting as well as the November 8, 2016 election results, this item is to provide the Board with an opportunity to review Section 3.01.010 of the Administrative Code and set the Regular Board meeting schedule dates as deemed necessary.)

\*17. DISCUSSION AND POSSIBLE APPOINTMENT OF BOARD OFFICERS AND REPRESENTATIVES

(Due to the November 8, 2016 election results and per Administrative Code Section 3.01.020.01, the Board will need to consider appointments of Board Officers and Representatives as well as Board Member committee assignments.)

Action: Approve. Moved by Director Brazier, Seconded by Director Walker.

*Vote: Motion carried by unanimous vote (summary: Ayes = 4).* 

Ayes: Director Sanford, Director Walker, Director Brazier, Director Stewart.

Absent: Director Bigley.

#### \*14. BOARD OF DIRECTORS' COMMENTS/REPORTS

Directors' comments are comments by Directors concerning District business, which may be of interest to the Board. This is placed on the agenda to enable individual Board members to convey information to the Board and to the public. There is to be no discussion or action taken by the Board of Directors unless the item is noticed as part of the meeting agenda.

A. President's Report (President Sanford)

President Sanford stated he has appreciated working at RMWD and with staff; he enjoyed every minute of it.

- B. Representative Report (Appointed Representative)
  - 1. SDCWA
    - **A.** Summary of Board Meeting October 27, 2016

Mr. Kennedy noted the annexation extension for Campus Park West will be considered at the next meeting. He announced he was now the Vice Chair of the SDCWA Imported Water Committee which deals with Metropolitan Water District. He mentioned the appellate court process was proceeding with the SDCWA vs. MWD lawsuit.

#### 2. CSDA

Mr. Kennedy reported he was selected to serve as the President of the San Diego Chapter of CSDA at their November 17, 2016 meeting. He explained this was all part of the process of RMWD staying more integrated with local special districts. President Sanford encouraged the new board to make CSDA meetings, conferences, etc. a priority.

#### 3. LAFCO

Mr. Kennedy stated there was nothing to report.

4. San Luis Rey Watershed Council

Director Walker reported the Council held their annual meeting on November 7, 2016 at which there were speakers who gave presentations on weather predictions, real time stream flow, new invasive pests that are killing trees. He mentioned the Council conducted regular business following the presentations. He noted the Council held a workshop in November. He pointed out the Council was getting more and more engaged with the grant funding they have received; therefore, he encouraged someone on the new RMWD Board continue to represent the District on the Council. He confirmed the meetings will be held at Pala.

Mr. Kennedy reported most of the Gregory Canyon Landfill property has been sold to the tribes who has said will actively pursue residential development for the site. Discussion ensued regarding the steps that may need to be taken in order for this property to be built out.

#### 5. Santa Margarita Watershed Council

Mr. Kennedy reported the judge has cited conflicts of interest with both top candidates; therefore, he has selected the third candidate to serve as Watermaster.

#### **C.** Meeting, Workshop, Committee, Seminar, Etc. Reports by Directors (AB1234)

Mr. Kennedy reported he and Director Stewart attended the ACWA Conference last week which was very informative. Director Stewart talked about the sessions he attended where water issues throughout the State were addressed as well as challenges water agencies may face in light of the generational differences among employees.

Director Stewart reiterated the importance for the new Board to attend these types of conferences.

Mr. Kennedy noted there was someone at the conference from Scripps who talked about the climate changes including how water availability may be greatly impacted.

#### D. Directors Comments

Director Brazier stated although they have not always agreed, she found it very pleasant and satisfying to work with Director Sanford, especially on the ad hoc committee.

Director Walker said it has been rewarding to serve on the Board and how he truly enjoyed working with the Board and staff. He said he was expected to be more of an influence of some good things that have long time in coming from having been in the District for twenty years; however, the Board has made the most important decision of getting a general manager who would steer the ship in the right direction that has brought about many wonderful things over the past two plus years that have made his job much easier. He mentioned he came in when FPUD was attempting to take over RMWD with his mind not having been made up, but looking at the facts during the research process, he wanted to thank Directors Brazier and Sanford for all their work to ensure the longevity of this District because without it, RMWD would look a great deal different today.

E. Legal Counsel Comments

**A.** Public Records Act (150152-0005)

Legal Counsel Smith said he has enjoyed working with both Directors Sanford and Walker and hoped they would keep in touch. He agreed with the comments about ACWA and how the programs they provide are quite useful.

Legal Counsel Smith also mentioned he has provided a written report on the Public Records Act he thought would be of interest involving trying to reach a balance between the public policy related to the openness of government and the right to privacy. He talked about a case in the City of San Jose that involved a public member requesting a Board Member's text messages which rose the question is a private communication on the cell phone subject to the Public Records Act. He said this case was still being decided and that he will continuing monitoring the matter and update the Board when information is received from the California State Court.

#### \*15. COMMITTEE REPORTS (Approved Minutes have been attached for reference only.)

- A. Budget and Finance Committee
  - 1. October 11, 2016 Minutes

Mr. Stitle reported the committee was in the process of reviewing sections of the Administrative Code related to fiscal policies.

  - 1. October 5, 2016 Minutes

Mrs. Kirkpatrick reported someone presented information on the ongoing work at the City of Oceanside as well as Item #21 on this agenda at their November meeting.

#### **BOARD INFORMATION ITEMS**

#### 16. INTRODUCTION OF EXCELLENCE COIN RECOGNITION PROGRAM

Mrs. Harp and Mr. Milner explained as part of the strategic plan, they were looking for a cost effective employee recognition program as well as a way to translate the core values identified during the strategic planning process from paper into how RMWD does business. She explained how the idea of the excellence coin recognition program was implemented. Mr. Milner presented a coin to each member of the Board and Legal Counsel in military fashion.

Mrs. Harp talked about the values coins which will first be presented to those nominated by their peers at the 2017 Employee Recognition Banquet and how future nominations will be made continuously. She noted the entire cost of the program would be approximately \$1,500 per fiscal year.

Director Walker said he could not help but notice most of the core values in this program are the same used at his company. He stated this was very well done.

The Board applauded staff for their work on this program.

#### **BOARD ACTION ITEMS**

# \*17. DISCUSSION AND POSSIBLE APPOINTMENT OF BOARD OFFICERS AND REPRESENTATIVES

President Sanford explained the purpose of this item was to handle the transitioning from one Board to the next with his position as President technically expiring December 9<sup>th</sup> and Vice President Walker's resignation effective December 31, 2016.

#### Motion:

To nominate Helene Brazier to serve as Board President.

Action: Approve, Moved by Director Walker, Seconded by Director Sanford.

Vote: Motion carried by unanimous vote (summary: Ayes = 4).

Ayes: Director Sanford, Director Walker, Director Brazier, Director Stewart.

Absent: Director Bigley.

It was confirmed selecting Board officers and representatives will be on the January agenda.

# \*18. DISCUSSION AND POSSIBLE ACTION RELATED TO WATER BILL OF PENNY AND BILL PEUKERT

Mr. Kennedy provided background explaining the digital device that sends the meter read back to the District under represented the amount of water used; thereby, creating a smaller bill for the Peukert's. He noted Mrs. Peukert contacted RMWD to notify us of the situation right around the same time Mr. Diaz and the team were noticing this in the discrepancy in bills. He stated after working with the vendor to get the device repaired, staff took a look at the actual reads and sent a revised bill for three months in arrears to the customer. He pointed out the District never received a formal claim describing exactly what Mrs. Peukert wanted, but she wanted to come here today to explain the situation to the Board.

Director Brazier asked whether an official claim would be presented. Mrs. Peukert stated she tell the Board today what she wanted in monetary value wanted along with the reason.

Mr. Peukert presented pictures of her meter. She mentioned how long this situation occurred before it was finally repaired. She noted the issue was not the repair, it was the water bill which she believed to be wrong. She mentioned she and her husband met with Mr. Kennedy and Mr. Diaz to discuss the matter. She disagreed with staff telling her there are to be four numbers to read when on many occasions there were three numbers registered.

President Sanford said in order for him to make a decision, he needs to know what Mrs. Peukert wants RMWD to do. Mrs. Peukert said she wants the Board to make a decision after looking at the bills and the information she presented. She said not until the Board makes a decision is the matter resolved which would be the starting point of going back three months from when the Board makes their decision. She pointed out at the end of her statement presented, it will tell the Board what she thinks the amount should be.

Mr. Kennedy explained RMWD has an Administrative Code policy regarding non-registering meters that only permits going back three months. He noted in this case the meter actually registered the water, but the electronics were not sending the correct read back to the District. He said if there was a dispute about the amount of water that went through the meter, that would be up for discussion; however, if the water went through the meter, the Peukert's owe for the water. He reiterated the error RMWD made was that the bills were too low for a period of several months until the issue was resolved at which time staff took a look at the actual reads and billed the Peukert's accordingly. He added there was an error on the September bill due to a lack of billing software capabilities. He noted this was RMWD's largest consuming 3/4" meter.

Mr. Kennedy said he explained to the Peukert's they needed to make a claim stating RMWD caused them some damage or that the bill was invalid for some reason; however, when the water actually goes through the meter, it is difficult for the District to waive any charges due to the fact water was actually used.

Mrs. Peukert asked why the meter was switched out in the first place and was told this was something that was just done periodically. Mr. Kennedy replied large consumption meters get replaced more frequently than lower consumption meters due to the meters being mechanical and wear out. He stated this meter uses over 1,000 units per month on average for a ¾" which is way above and beyond anyone using a meter of this size.

Mr. Diaz explained the billing aspects involved in this situation. He stated staff knew exactly how much water was used in what time spans. He noted it happened four months prior to the repair; however, due to the policy the District only went back three months and looked at the previous trends which showed there was a little over 1,000 units per months of water used.

President Sanford inquired as to the real issue was how much RMWD charged for the water. Mr. Kennedy explained in April the meter was replaced and when the read for May came in, it only read 100 units and in June only 208. Mrs. Peukert stressed she was told by staff the reason this situation occurred was due to the Badger meter, then the ITRON, and then it was due to software. She asked for clarification as to what actually caused the meter misread. Mr. Kennedy answered the Badger meter sends the data to the AMR system and how the way that thing was configured to read this meter, it incorrectly sent the data back into RMWD's electronic reading system. He explained the meter itself technically functioned fine, just as Mrs. Peukert noticed with the dial moving and thereby recording the units; however, it was the software glitch between the meter manufacturer and the AMR manufacturer that took a little while to resolve whose problem was causing the situation. He said originally, it was thought to be a Badger problem, but it turned out to be an ITRON issue.

President Sanford asked if the amount of water consumption accurate. Mr. Kennedy confirmed this was correct due to the fact the meter had recorded the reads. Mrs. Peukert said this was still unclear due to the next bill being incorrect.

Director Brazier inquired as to whether the consumption figures were consistent with historical consumption for the property. Mr. Peukert stated they went back through records of usage and found there were a number of readings that go from 500-2,700 for various three digit readings. Mr. Diaz explained some of the variances were due to meter rollovers.

President Sanford stated if the meter reading and consumption correct, then the issue is now a matter of money. He asked staff what was the difference on the money involved. Mr. Kennedy explained the steps taken to work through the records and after making several calculations, RMWD offered the Peukert's \$1,280 which they declined and asked to address this matter with the Board.

Mr. Kennedy stressed to the Peukert's if they wanted to file a claim, they needed to do so and state which amount they would like to be compensated. Mrs. Peukert referenced her letter presented to the Board stating she wants \$11,060.00 with a possible additional approximate \$1,000. She stated they were never informed the issue was resolved.

Mr. Kennedy suggested staff look at the information provided by the Peukert's and determine whether this matter can be settled under his spending authority or if it needed to come back to the Board at the next meeting.

Mrs. Peukert said she did not understand why the meter was changed out in the first place. Mr. Kennedy reiterated RMWD replaces meters on its large accounts on a regularly basis. He agreed the Peukert's were not the largest account, but for their size meter they are the largest.

Director Stewart asked the Peukert's if they have done anything to change their average consumption by month over the last year. Mr. Peukert stated there have not been any significant changes and everything was on timers. Mr. Kennedy said he would take the numbers presented by the Peukert's today and compare them with the meter reads.

#### Motion:

To defer this matter to the next Board meeting.

Action: Approve, Moved by Director Brazier, Seconded by Director Walker.

*Vote: Motion carried by unanimous vote (summary: Ayes = 4).* 

Ayes: Director Sanford, Director Walker, Director Brazier, Director Stewart.

Absent: Director Bigley.

Mrs. Peukert thanked the Board.

\*19. DISCUSSION AND POSSIBLE ACTION TO APPROVE RESOLUTION NO. 16-20 — A RESOLUTION OF THE BOARD OF DIRECTORS OF RAINBOW MUNICIPAL WATER DISTRICT ADOPTING WATER SERVICE INCREASE FOR PASS THROUGH WATER CHARGES AND ANNUAL INFLATION ADJUSTMENT PURSUANT TO ORDINANCE NO. 15-10 AND INCREASE THE BACKFLOW FEES FOR FULL COST RECOVERY

Mrs. Martinez gave a presentation. She pointed out bullet point #4 addressed Proposition 218 compliance procedural requirements. She noted the backflow fees were added for full cost recovery.

Mr. Kennedy pointed out as part of the Proposition 218, the notice was being sent out to all property owners and tenants immediately.

Director Stewart was asked if the Cost of Service Study was based on a projection of sales. Mr. Kennedy confirmed forecasting was involved as well as explained the steps taken.

#### Motion:

To approve Resolution No. 16-20.

Action: Approve, Moved by Director Brazier, Seconded by Director Walker.

**Vote: Motion carried by unanimous vote (summary: Ayes = 4).** 

Ayes: Director Sanford, Director Walker, Director Brazier, Director Stewart.

Absent: Director Bigley.

# \*20. DISCUSSION AND POSSIBLE ACTION ON REQUEST TO QUITCLAIM EASEMENTS FOR OLIVE HILL ESTATES DEVELOPMENT TM 4976

Mrs. Kirkpatrick explained in the improvement plans associated with this project, an existing pipeline was abandoned and relocated into their development and since RMWD no longer needs the abandoned pipe, a quitclaim is being requested. Director Brazier asked if there was no foreseeable need for this pipeline. Mrs. Kirkpatrick confirmed she saw no foreseeable need for this easement, especially in light of where it is located.

#### Motion:

To approve Option 1 – Authorize the General Manager to execute the quitclaim deeds associated with the easements for the abandoned waterline.

Action: Approve, Moved by Director Stewart, Seconded by Director Brazier.

Vote: Motion carried by unanimous vote (summary: Ayes = 4).

Ayes: Director Sanford, Director Walker, Director Brazier, Director Stewart.

Absent: Director Bigley.

21. DISCUSSION AND POSSIBLE ACTION TO EXPAND THE SCOPE OF THE PROFESSIONAL SERVICES CONTRACT TO PROVIDE DESIGN SERVICES FOR THE PUMP STATION #1 REHABILITATION PROJECT

Mr. Powers, RMWD's Associate Engineer, gave a presentation on the Pump Station #1 Rehabilitation Project including the initial scope of the project. He pointed out during site inspections, it has been found there would need to be some changes made to the original scope to include the rehabilitating the site building, electrical relocation, enclosing all four pumps, and installation of an additional pump can for future expansion. He talked about the cost of the design and construction, respectively.

Director Walker asked for breakdown of the probable construction costs. Mr. Powers showed a slide with the cost breakdown.

#### Motion:

To approve Option 1 - Approve the option of expanding the scope of the professional services contract to provide design services for the Pump Station #1 Rehabilitation Project with additional scope fees not to exceed \$61,296.

Action: Approve, Moved by Director Brazier, Seconded by Director Walker.

Vote: Motion carried by unanimous vote (summary: Ayes = 4).

Ayes: Director Sanford, Director Walker, Director Brazier, Director Stewart.

Absent: Director Bigley.

\*22. DISCUSSION AND POSSIBLE ACTION REGARDING EXECUTION OF A SECOND AMENDMENT TO JOINT AGREEMENT TO IMPROVE SUBDIVISION, JOINT LIEN CONTRACT AND HOLDING AGREEMENT FOR SAN DIEGO TRACT NO. 5012-1

Mrs. Kirkpatrick pointed out the County was requesting the change of the expiration date from September 24, 2017 to September 24, 2018.

#### Motion:

To approve Option 1 - Authorize the General Manager to execute Joint Agreement to Improve Subdivision, Joint Lien Contract and Holding Agreement for San Diego Tract No. 4750-1 with new expiration date of September 24, 2018.

Action: Approve, Moved by Director Stewart, Seconded by Director Brazier.

*Vote: Motion carried by unanimous vote (summary: Ayes = 4).* 

Ayes: Director Sanford, Director Walker, Director Brazier, Director Stewart.

Absent: Director Bigley.

\*23. DISCUSSION AND POSSIBLE ACTION REGARDING ACCEPTANCE OF REVISIONS TO JOINT AGREEMENTS TO IMPROVE MAJOR SUBDIVISION COUNTY OF SAN DIEGO TRACT NO. 5338 FOR THE HORSE CREEK RIDGE DEVELOPMENT

Mrs. Kirkpatrick pointed out the County was requesting a few minor administrative changes to the agreements. She noted all the agreements were approved the Board previously; therefore, staff was bringing it back to the Board with their requested changes.

#### Motion:

Authorize the General Manager to accept the changes to the Joint Agreements with the County.

Action: Approve, Moved by Director Walker, Seconded by Director Stewart.

*Vote: Motion carried by unanimous vote (summary: Ayes = 4).* 

Ayes: Director Sanford, Director Walker, Director Brazier, Director Stewart.

Absent: Director Bigley.

\*24. CONSIDER ADOPTION OF RESOLUTION NO. 16-21 APPROVING THE ENTRY OF RAINBOW MUNICIPAL WATER DISTRICT INTO THE CALIFORNIA STATEWIDE COMMUNITIES DEVELOPMENT AUTHORITY

Mr. Kennedy gave the same presentation on the California Statewide Communities Development Authority (CSCDA) given to the committees related to forming a Community Facilities District (CFD). He stated he wanted to provide the Board with D.R. Horton's proposal.

Mr. Kennedy explained CSCDA was a Joint Powers Authority (JPA) that was formed with hundreds of public agencies as members. He noted this local agency was created by the California State Association of Counties due to the fact many smaller agencies do not have the wherewithal to issue bonds. He stated any public agency can become a member by passing a resolution as that before the Board today for consideration.

Mr. Kennedy pointed out there was no financial risk or administrative burden on RMWD due to the District not having part of recovery of the funds and the bonds are secured by the properties in the CFD. He said at this time the only resolution before the Board was for RMWD to become a member of CSCDA at no cost or liability. He pointed out the District would need to become a member in order to be able to move forward in forming a CFD should RMWD choose to do so.

Mr. Kennedy talked about a deal RMWD made in 1987 with Hewlett Packard. He explained how staff stressed to D.R. Horton that they would need to make their sewer capacity fees whole and how after negotiating they reached a \$2.75M that would go to RMWD. He reported should RMWD go forward, CSCDA would take care of all the necessary steps.

Mr. Kennedy stated there was no risk in RMWD not proceeding with this matter with the exception of not getting any extra capacity fee monies. He stated the developers have indicated January was the deadline.

Director Stewart asked by adopting the Resolution today, RMWD has no obligation to go forward, but rather make it possible to get together with CSCDA and finalize the program. Mr. Kennedy confirmed this was true. Discussion followed.

Director Brazier inquired as to why RMWD was being sought out as opposed to any other entity. Mr. Kennedy stated he was unaware of another entity being approached. Director Brazier expressed concern D.R. Horton was going to make a great deal more money than RMWD. Discussion followed.

Director Stewart asked what would happen should RMWD not move forward. Mr. Kennedy stated D.R. Horton would have to pay for all this cash out of pocket due to time restraints and would not have to give any additional money to RMWD.

Discussion ensued.

Mr. Kennedy reiterated there was no risk associated with RMWD becoming a member of the CSCDA.

Director Stewart explained why he did not see any harm in joining CSCDA. He noted if the developer was not in some type of situation, they would not be coming to RMWD with such short notice. He recommended the Board adopt the Resolution to join the CSCDA and have Mr. Kennedy renegotiate a higher amount for the District with the developer.

Director Brazier asked should RMWD decide it wants out of CSCDA, what is the assurance this can be done without entanglements. Mr. Kennedy said if there are no bonds issued, there should not be a problem. It was reconfirmed an automatic out could also be just not doing anything after joining the CSCDA.

President Sanford asked if this in any way impacts the agreement the developer has with Valley Center Municipal Water District. Mr. Kennedy stated that was an entirely different organization.

Director Walker stated he did not completely understand this matter prior to this discussion; however, after hearing further discussion he does not see much risk in taking this first step. He said the Board in January can decide whether or not to act on this matter.

#### Motion:

RMWD join CSCDA and direct the General Manager to approach the developer with an offer to increase the unrecovered sewer capacity payments in exchange for the District's cooperation.

Action: Approve, Moved by Director Stewart, Seconded by Director Walker.

Vote: Motion passed (summary: Ayes = 3, Noes = 1, Abstain = 0).

Ayes: Director Sanford, Director Walker, Director Stewart.

Noes: Director Brazier.

Absent: Director Bigley.

President Sanford excused himself from the meeting at 3:21 p.m. and turned the meeting over to Vice President Walker.

# \*25. DISCUSSION AND POSSIBLE ACTION DETERMINING THE APPOINTMENT PROCESS IN REGARDS TO THE UPCOMING DIVISION THREE BOARD VACANCY

Director Walker noted he remitted his letter of resignation effective December 31, 2016; therefore, the Board will need to discuss replacing him.

Mr. Kennedy recommended the vacancy be published as it was earlier this year for Divisions 2 and 5. He pointed out the CSDA training for Board Members for RMWD to achieve the District of Distinction Certificate would be held in February 2017 which may not work for the new Board Member; therefore, the Board may want to consider other options.

It was determined staff would collect resumes prior to the January 24, 2017 Board meeting, provide the Board with those resumes in advance of the meeting date for consideration, and then having the Board conduct interviews at the meeting with an option to extend the appointment if necessary.

No action taken.

#### \*26. APPROVAL OF RESOLUTION NO. 16-22 ESTABLISHING CHECK SIGNING AUTHORITY

Director Stewart expressed concern with only one signature being required for purchases up to \$50,000 and suggested the threshold be lowered. He suggested this be addressed when establishing check signing authority with the new Board Members.

#### Motion:

Adopt Resolution No. 16-22 as revised.

Action: Approve, Moved by Director Brazier, Seconded by Director Stewart.

Vote: Motion carried by unanimous vote (summary: Ayes = 3).

Ayes: Director Walker, Director Brazier, Director Stewart.

Absent: Director Sanford, Director Bigley.

It was noted the bottom of Resolution No. 16-22 should say 16-22 rescinds 16-11.

#### \*27. SETTING THE BOARD AND COMMITTEE MEETING SCHEDULE FOR 2017

This item was deferred to January 24, 2017.

Vote: Motion carried by unanimous vote (summary: Ayes = 3).

Aves: Director Walker, Director Brazier, Director Stewart.

Absent: Director Sanford, Director Bigley.

#### 29. LIST OF SUGGESTED AGENDA ITEMS FOR THE NEXT REGULAR BOARD MEETING

It was noted the Board appointment of officers and representatives, updated check signing authority resolution, Board meeting schedule, and Communities Facilities District matter should all be on the next Board meeting agenda.

30. ADJOURNMENT - To Tuesday, January 24, 2017 at 1:00 p.m.

Motion:

Attorney Report re: Public Records Act

501668-0002

#### I. INTRODUCTION.

This attorney report provides an update on a recent Public Records Act decision from the California Supreme Court. In Los Angeles County Board of Supervisors v. Superior Court (ACLU of Southern California), California Supreme Court Case Number S226645 (2016), a divided Supreme Court held that the attorney-client privilege protects a public agency from disclosing litigation billings for active and open cases pursuant to the California Government and Evidence Codes.

## II. BACKGROUND.

This case began when the ACLU submitted a request under the California Public Records Act to the Los Angeles County Counsel seeking invoices specifying the amounts that the County had been billed in connection with nine specified lawsuits alleging excessive force against jail inmates.

The County agreed to produce redacted invoices from three lawsuits no longer pending, but declined to produce invoices in the six pending lawsuits. The County argued that the redacted and withheld records were attorney-client privileged communications that contained confidential work product, and were therefore privileged under both the California Evidence Code and the California Government Code.

The ACLU petitioned the Superior Court for writ of mandate seeking to compel the County to disclose the requested records. The Superior Court granted the petition, concluding that the County failed to show that the invoices were attorney-client privileged communications.

The County then filed a petition for writ of mandate to the California Court of Appeal. The Appellate Court granted the petition and vacated the Superior Court's order, concluding that the invoices were confidential communications within the meaning of California Evidence Code section 952.

Memorandum January 24, 2017 Page 2

#### III. SUPREME COURT'S ANALYSIS.

The Supreme Court split 4-3 on the question of whether the invoices were protected from disclosure under the Public Records Act. The majority held that the contents of an attorney's invoice to a client are privileged only if they either communicate information for the purpose of legal consultation, or risk exposing information that was communicated for such a purpose. The majority further held that the latter category includes information in any invoice that reflects work in active and ongoing litigation.

The Supreme Court reasoned that invoices in themselves are not necessarily protected communications, because they are submitted for the purpose of billing rather than for purposes that are the "heartland" of attorney-client privilege, namely, information conveyed for the purpose of legal representation. Nonetheless, the majority acknowledged that invoices may contain information conveyed for that purpose, notably because invoices in ongoing and pending litigation pose too great a risk of disclosing the substance of legal consultation and strategy. The majority clarified that this conclusion does not extend to cumulative totals for long-concluded litigation which poses less danger of disclosing the substance of legal consultation.

The dissent opined that the attorney-client privilege applies to all attorney-client communications in the course of a representation, regardless of content; and that the passage of time does not affect the privilege. In her dissent, Justice Werdegar argued that Evidence Code section 952 declares that a privilege extends to "information transmitted between a client and his or her lawyer in the course of that relationship and in confidence...and includes a legal opinion formed and the advice given by the lawyer in the course of that relationship." She reasoned:

"No question exists that the invoices at issue in this case comprise information transmitted' between a law firm and its client, the Los Angeles County Board of Supervisors, that the information was generated within the course of the attorney-client relationship, and that the invoices were prepared and transmitted in confidence. As such, the invoices are privileged, and thus not subject to disclosure under the Public Records Act....The majority reaches a different conclusion by embellishing the words of the statutory privilege to discover a heretofore hidden meaning."

Partially disagreeing with Justice Werdegar, the Supreme Court's majority opinion concludes:

"The imperative of protecting privileged communications between attorney and client — and thereby promoting full and frank discussion between them — is a defining feature of our law. This imperative does not require us to conclude — as the Court of Appeal did here — that everything in a public agency's invoices for legal services is categorically privileged.

Memorandum January 24, 2017 Page 3

Instead, the contents of an invoice are privileged only if they either communicate information for the purpose of legal consultation or risk exposing information that was communicated for such a purpose. This latter category includes any invoice that reflects work in active and ongoing litigation. Accordingly, we reverse the judgment of the Court of Appeal and remand for proceedings consistent with our opinion."

### IV. CONCLUSION.

The court's ruling will require agencies served with public records act requests for litigation invoices to determine whether a case is still active or closed. If the case is active, the entire invoice remains privileged and confidential. Once the case is closed, the agency will need to determine if the invoices "communicate information for the purpose of legal consultation" or "risk exposing information that was communicated for such a purpose." If the agency determines that the invoices satisfy that criteria, the agency may withhold the invoices or redact portions of the invoices fitting into the protected categories pursuant to Government Code section 6254(k) and Evidence Code section 952.

# 9. PRESENTATION ON THE POTENTIAL COMMUNITY FACILITIES DISTRICT DEVELOPMENT FOR DR HORTON PROJECT

Mr. Kennedy explained this item was associated with the D.R. Horton project and to discuss the potential for developing a Community Facilities District (CFD), which was essentially a means to finance certain infrastructure and capacity fees on a Mello-Roos type of tax on the properties. He pointed out the developer was looking to have this process starting in the month of December which will include taking a look at the development of a CFD as well as discuss other topics.

Sunit Patel, a consultant to D.R. Horton on the Horse Creek Ridge project gave a presentation related to this matter. Mr. Patel pointed out the bonds are limited obligation bonds secured solely by the land within the CFD and that special tax securing the bond issuance. He stated there was no financial risk to RMWD and all costs associated with forming the CFD are paid for by the developer.

Mr. Patel explained the California Statewide Communities Development Authority (CSCDA) which is a joint powers entity created to assist local governments with an effective tool for financing community based public benefit projects. He noted RMWD would be asked to be a CSCDA participant which consists of passing a simple resolution; there is not upfront or ongoing membership fee. It was noted RMWD would not need to administer anything and how all tax-related questions and inquiries are directed to and handled by CSCDA.

Mr. Patel talked about the general description of the proposed CFD facilities for the Horse Creek Ridge project, the procedural steps involved in the initial stages, and what can be expected one the CFD is formed.

Mr. Stitle inquired as to what happens should the developer go bankrupt during the process. Mr. Patel stated in the event this should occur and the bonds have been issued, the land serves as the collateral for those bonds which would be subject to the foreclosure process.

Mr. Kennedy mentioned there was no benefit to RMWD unless the terms of the sewer capacity agreement can be renegotiated. He stated it was anticipated this matter to be brought to the Board for consideration in December, 2016. It was noted the district needed to be formed before the first home closing takes place.

Mr. Ross recommended prior to going forward, it would be a good idea to arrive at a number that could be "locked away". Mr. Kennedy confirmed when this matter is brought to the Board for consideration, they will be provided with a range of incentive options that will benefit the District.

Mr. Kennedy stated the worst case scenario would be it does not go forward. Ms. Moss expressed concern this may not be a good place to be based upon the old agreement.

Mr. Patel thanked the committee for their time and consideration.

Director Brazier asked if there was a "ball park" figure of how much money will be saved as a negotiating point. Mr. Ross explained it was the cost of capital against net present value. Mr. Kennedy stressed if there was not a good enough incentive, RMWD would not go forward.

Mr. Kennedy asked Mrs. Martinez to work on putting together a "ball park" figure.

#### 10. REVIEW CAPACITY FEE STUDY

This item was delayed until December.

#### 11. REVIEW ADMINISTRATIVE CODE SECTIONS 5.03.080 AND 5.03.220

It was noted there were some punctuation and grammar changes noted in the committee review.

Discussion ensued as the review of the latest investment report took place.

Mr. Kennedy stated staff and Legal Counsel will review these policies.

#### 12. REVIEW THE FOLLOWING:

- A. Income Statement
- B. Balance Sheet
- C. Cash Flow

Mrs. Martinez explained once the conversion of utility billing with Springbrook is completed in the upcoming week, her next priority will be to work on the presentation of the reports.

#### 13. REVIEW 2017 WATER RATES

Mrs. Martinez gave a presentation on the proposed 2017 water rates. She pointed out the Budget and Finance Committee held several meetings during the process of conducting the Cost of Service Study and how on October 27, 2015, the Board held a public hearing to review the proposed water rates. She also noted on December 15, 2015, the Board adopted the proposed water rates putting the new water rates into effect January 1, 2016. She stated these steps met all of the Proposition 218 compliance requirements.

Mrs. Martinez explained due to the steps taken during 2015, the schedule of fees can be adopted with automatic adjustments that pass through increases in wholesale charges for water from other public agencies as well as adjustments for inflation for a period not to exceed five years. She pointed out there must be clearly defined formulas, adjustments must not exceed the cost of providing the service, and notices of any adjustments shall be given not less than 30 thirty before the effective date of such adjustment.

Mrs. Martinez stated with the adoption of Ordinance No. 15-10 adopted on December 15, 2015, the allowable pass through charges are SDCWA's fixed charges, SDCWA's imported water charges, energy costs imposed by SDG&E, increase in costs of operating and retaining the water system based on the annual inflationary adjustment in the San Diego Consumer Price Index, and any reduction in the allocation of agriculture property tax.

Mrs. Martinez concluded by noting if things remain stable (CPI, pass through charges, etc.), RMWD can continue on with the annual automatic adjustments; however, if there are any fluctuations or variances that are financially detrimental to RMWD, it will require going through the Proposition 218 process again.

Mr. Kennedy noted staff would be requesting the Board consider a 3.5% rate increase at their next Board meeting.

#### 14. DEVELOPER UPDATE

Mr. Kennedy reported D.R. Horton has started working and the Meadowood project is anticipated to follow shortly behind.

# 15. LIST OF SUGGESTED AGENDA ITEMS FOR THE NEXT SCHEDULED BUDGET AND FINANCE COMMITTEE MEETING

It was determined the capacity fees and asset valuation final report should be ready in time for the next Budget and Finance Committee meeting.

Mr. Kennedy introduced RMWD managers, Karleen Harp and Darren Milner. Mrs. Harp and Mr. Milner talked about the Challenge Coin Program recently implemented at RMWD as they presented each committee member with an Excellence coin.

The need for alternate seating was not necessary.

5. ADDITIONS/DELETIONS/AMENDMENTS TO THE AGENDA (Government Code §54954.2)

There were no amendments.

6. PUBLIC COMMENT RELATING TO ITEMS NOT ON THE AGENDA (Limit 3 Minutes)

Ms. Moss made an inquiry on the process for transferring water service. She voiced her concerns with the timeline for departing tenants receiving their final bill and the process for paying the final balance. Mrs. Martinez stated that after the meeting they could meet to discuss the matter in further detail. Discussion ensued.

#### **COMMITTEE ACTION ITEMS**

7. COMMITTEE MEMBER COMMENTS

There were no comments.

Ayes: Member Stitle, Member Ross, Member Hensley, Member Clyde, Member Moss.

#### 9. REVIEW CAPACITY FEE STUDY

Mrs. Kirkpatrick stated no action was needed today from the committee on this matter. She presented a slide show on the capacity fee study and provided additional documentation and instructed the committee to review them later and bring their comments back to the next meeting for additional discussion.

Discussion ensued.

Ms. Moss asked what the motivation was for conducting this study. Mrs. Kirkpatrick responded stating the there was no back up information or Districts' Capital Improvement of expansion projects and a wastewater treatment plant included in the previous assessment.

Mr. Hensley asked if customers would be eligible for a refund of charges if so requested. Mrs. Kirkpatrick stated our current policy which does not allow for a refund but added that it does have exceptions that may apply.

#### 10. REVIEW ADMINISTRATIVE CODE SECTIONS 5.03.080 AND 5.03.220

Mrs. Martinez handed out documentation and presented information on the two sections being reviewed. Discussion ensured. Mrs. Martinez requested the committee review the information and bring back their comments to the next meeting.

#### 11. REVIEW THE FOLLOWING:

- A. Income Statement
- B. Balance Sheet
- C. Cash Flow

Mrs. Martinez distributed handouts including examples of the investment policy for initial review. She asked the committee members take this home and do a more extensive review in order to prepare for discussing at the next meeting.

#### 12. REVIEW 2017 WATER RATES

Mrs. Martinez stated the new rates were approved by the Board of Directors at their last committee meeting with a 2.5% increase and an increase of backflow fees to include the additional price increase due to the State required prevailing wage connected to the labor provided by the backflow inspection contractor.

#### 13. DEVELOPER UPDATE

Mr. Powers gave an update on the progress and current status of the development projects in the District. Discussion ensued.

#### 8. INTRODUCTION OF RMWD'S CHALLENGE COIN PROGRAM

Darren Milner, Operations Manager, and Karleen Harp, HR Manager, introduced the RMWD Challenge Coin Program. Mrs. Harp mentioned this was a rewards recognition program was developed as a reminder of the District's commitment to excellence, strategic plan, and core values. She officially presented each of the committee members with a Committed to Excellence Coin.

Discussion ensued regarding the nomination process that will be implemented in order to award those staff members who excel in each of the core values.

Mr. Milner added this was not an official challenge, but rather taking pride in working for RMWD and fulfilling the internal team commodity.

#### 9. DISCUSSION REGARDING NEW CUSTOMER BILL FORMAT

Mr. Beyer expressed how pleased he was with the RMWD newsletter. He suggested the bill continue to provide details in the breakdown in charges. Discussion followed.

Member Kurnik excused herself from the meeting at 4:03 p.m.

# 10. DISCUSSION AND POSSIBLE ACTION REGARDING NEWSLETTER DISTRIBUTION OPTIONS

Mrs. Gray reported she looked into the current program and was still researching a means of getting the newsletter out in PDF format.

Discussion ensued regarding finding a means of getting the newsletter to all the ratepayers at the beginning of the month with possibly more detailed information at the same cost.

#### 11. DISCUSSION AND POSSIBLE ACTION TO APPOINT 2017 COMMITTEE OFFICERS

Mr. Daily noted this was generated by him in order to give the committee an opportunity to consider who they would like to serve as the committee officers in 2017. He noted he would like to have this on the December agenda for consideration by the entire committee membership.

#### 12. COMMUNICATIONS PLAN/TOPICS

Mrs. Gray reported the handout presented was up-to-date including the implementation of district tours. She recommended reviewing the plan and topics in more detail at the next meeting when all the committee members are present.

#### 13. REVIEW AND ANALYSIS OF RMWD RELATED MEDIA STORIES

It was noted there were candidate statements in a recent edition of The Village News.

#### 14. COMMITTEE MEMBER COMMENTS

Mr. Hayden inquired about the welcome packet discussed at the October Board meeting. Mr. Kennedy offered to look into this further as well as ask Mrs. Kirby what Vallecitos has in place.

Ms. Brazier stated the committee has benefited by Mr. Daily's leadership; therefore, she does not want him to depart from his role in haste.

Mr. Daily reported on the joint meeting with the Board of Directors at their October 25, 2016 meeting and how he enjoyed the opportunity to interact with the Board as well as members of staff and public after the meeting concluded. It was suggested this committee join the Board meeting earlier in the calendar year at a time when it makes the most sense.

Discussion ensued regarding whether there were additional types of actions this committee may be overlooking. It was confirmed the committee was meeting its expectations.

## 15. LIST OF SUGGESTED AGENDA ITEMS FOR THE NEXT SCHEDULED COMMUNICATIONS COMMITTEE MEETING

It was noted the election or reaffirmation of committee officers and an update on welcome packets should be on the next agenda.

#### 16. ADJOURNMENT

Motion:

To adjourn to December 5, 2016.

Action: Adjourn, Moved by Member Brazier, Seconded by Alternate Gray.

**Vote: Motion carried by unanimous vote (summary: Ayes = 4).** 

Ayes: Member Daily, Member Brazier, Member Kurnik, Alternate Gray.

The meeting adjourned at 4:58 p.m.

# MINUTES OF THE COMMUNICATIONS COMMITTEE MEETING OF THE RAINBOW MUNICIPAL WATER DISTRICT DECEMBER 5, 2016

- 1. CALL TO ORDER The Communications Committee Meeting of the Rainbow Municipal Water District on December 5, 2016 was called to order by Chairperson Daily at 3:37 p.m. in the Board Room of the District, 3707 Old Highway 395, Fallbrook, CA 92028. Chairperson Daily, presiding.
- 2. PLEDGE OF ALLEGIANCE
- 3. ROLL CALL:

Present:

Member Daily, Member Kurnik, Member Kirby, Member Hamilton,

Alternate Gray.

Absent:

Member Brazier.

Also Present:

Executive Assistant Washburn, Engineering Manager Kirkpatrick.

No members of the public were present.

4. SEATING OF ALTERNATES

It was noted Ms. Gray will participate in the votes for this meeting.

5. ADDITIONS/DELETIONS/AMENDMENTS TO THE AGENDA (Government Code §54954.2)

There were no changes.

6. PUBLIC COMMENT RELATING TO ITEMS NOT ON THE AGENDA

There were no comments.

#### COMMITTEE ACTION ITEMS

#### \*7. APPROVAL OF MINUTES

**A.** November 7, 2016

Mrs. Gray pointed out in Item #8 that an "a" needed to be added before "rewards".

Motion:

Approve the minutes as revised.

Action: Approve, Moved by Member Hamilton, Seconded by Alternate Gray.

*Vote: Motion carried by unanimous vote (summary: Ayes = 5).* 

Ayes: Member Daily, Member Kurnik, Member Kirby, Member Hamilton, Alternate Gray.

#### 8. WELCOME PACKET UPDATE

Mrs. Kirby provided an example of a welcome packet that was provided as a handout to the committee members.

Mrs. Kirkpatrick presented a proposed welcome video and solicited for input from the committee members. Discussion ensued regarding several suggested changes. It was noted the changes would be made and the video would be brought back to the next committee meeting for review.

#### 9. DISCUSSION AND POSSIBLE ACTION TO APPOINT 2017 COMMITTEE OFFICERS

#### Motion:

To keep Mike Daily as Chair and Jeanne Kirby as Vice Chair.

Action: Approve, Moved by Member Kurnik, Seconded by Alternate Gray.

Vote: Motion passed (summary: Ayes = 4, Noes = 0, Abstain = 1).

Ayes: Member Kurnik, Member Kirby, Member Hamilton, Alternate Gray.

Abstain: Member Daily.

#### 10. COMMUNICATIONS PLAN/TOPICS

Mrs. Gray confirmed the final topics for December newsletter will include Board Member updates, an upcoming Board vacancy, as well as any rate changes the Board may approve at their December 6, 2016 Board meeting.

Discussion ensued regarding topics for 2017 newsletter topics.

#### 11. REVIEW AND ANALYSIS OF RMWD RELATED MEDIA STORIES

It was noted there was something reported on the RMWD rate increases to go into effect in January, 2017. Mrs. Gray reported there was not any feedback from customer service regarding customer concerns; however, she was hopeful the new software may be able to provide this type of information. Mr. Daily suggested some type of analysis be performed to find out whether the information being provided to the public by the committee is helpful and effective.

#### 12. COMMITTEE MEMBER COMMENTS

Mrs. Gray pointed out the display of Excellence Coins located in the Board Room noting there were five coins in the case represent each one of RMWD's core values.

## 13. LIST OF SUGGESTED AGENDA ITEMS FOR THE NEXT SCHEDULED COMMUNICATIONS COMMITTEE MEETING

It was noted a review of the updated video would be presented. It was noted the next meeting will be held on January 9, 2017 due to the holidays.

## 8. UPDATE AND DISCUSSION WITH OCEANSIDE REGARDING THE INDIRECT POTABLE REUSE STUDY

Mr. Kennedy introduced Mr. Goldman a consultant from RMC Water and Environment. He said Mr. Goldman was hired by the City of Oceanside to prepare an Indirect Potable Reuse Study (IPR). He explained Mr. Goldman would be providing information on the IPR Study and how the District may be able to participate.

Mr. Goldman said RMC has been working with the City of Oceanside on the IPR project for two years. He summarized the goals and objectives of the project as follows: to establish feasibility of IPR water of approximately 5K AF in the Mission Basin, improve groundwater basin reliability, optimize recycled water from San Luis Rey Wastewater Recycle Facility (WRF), increase local water supplies and maximize opportunities for outside funding.

Mr. Goldman pointed out that the groundwater basin levels have been decreasing and the goal was to recharge the groundwater. He summarized the scope of work tasks as follows:

- Task 1. Regulatory Requirements: Two state agencies primarily involved are the California Division of Drinking Water and the Regional Water Quality Control Board.
- Task 2. Groundwater Technical Assessment: Use of updated predictive model to analyze the basins regarding spreading versus injection; with and without additional extraction. Evaluate several alternatives water levels rise in all scenarios, retention times determined and return water contribution.
- Task 3. San Luis Rey WRF Assessment: Current flow of 9.7 mgd and La Salina Wastewater Treatment Plant current flow of 2.8 mgd with a total projected flow of 12.5 mgd. The San Luis Rey Plant will need to be upgraded in the next few years.
- Task 4. Advance Water Treatment Facilities: Proposing to fit plant onsite 3 mgd.
- Task 5. Brine Disposal Alternatives: Two pipes available for disposal the San Luis Rey Plant and Fallbrook Outfall.
- Task 6. Project Alternatives Development and Evaluation: Identify the preferred project proposed injection and spreading. Near-Term 3 mgd to Injection Wells, expand Plant 2 and Long-Term 1.5 mgd to Spreading Basins, expand Advance Water Treatment to 5.4 mgd, Conveyance/Pumping, Spreading Basins.

Mr. Goldman discussed the IPR Project costs as follows:

Near Term – Injection Wells \$42.7M Capital costs plus an annual \$2.9M O&M costs. Long Term – Spreading Basins, \$17.2M Capital costs plus an annual \$2.2M of O&M costs.

He said the total IPR Project costs would be \$60M Capital costs and \$5M O&M costs. Discussion ensued.

Mr. Goldman closed by listing the next steps for the City of Oceanside's Groundwater Recharge Program as follows: Facilities Plan (Dec. 2016), Exploratory Borings, Engineering Report, CEQA, Permitting, SRF Applications. (Jan. 2017- Mar. 2018), Design, Construction, and Testing.

#### 9. DISCUSSION REGARDING PROGRESS OF THE PUMP STATION 1 REHABILITATION **PROJECT**

Mr. Powers provided a brief summary status of the Pump Station 1 Rehabilitation Project. He went over the original scope of work, which was to replace the two natural gas motors with electrical motors to comply with Air Pollution Control regulations. He explained the requirement of recent potential scope changes to include building rehabilitation and electrical relocation requirements.

Mr. Powers said if the District includes the scope changes it would increase the project costs for the design by approximately \$61K and the construction by \$400K. Mr. Kennedy said this increase would be taken to the Board for approval. He mentioned this item was brought to the Engineering Committee to obtain other opinions regarding the potential contract changes. Mr. Marmett pointed out the security reasons alone would justify the change. Discussion ensued.

Mr. Powers mentioned the Consultant was currently in the 30% design phase. Discussion ensued.

Motion: The Engineering Committee recommends to go forward to the Board with the change order.

Action: Approve, Moved by Member Murray, Seconded by Member Kirby.

Vote: Motion carried by unanimous roll call vote (summary: Ayes = 7).

Member Prince, Member Stitle, Member Brazier, Member Taufer, Member Aves:

Murray, Member Kirby, Member Ratican.

#### 10. LIST OF SUGGESTED AGENDA ITEMS FOR THE NEXT SCHEDULED ENGINEERING **COMMITTEE MEETING**

The following item was suggested for the next Engineering Committee meeting: Asset Capacity Study.

#### 11. **ADJOURNMENT**

The meeting adjourned at 5:00 p.m.

**Members of the public present:** Mr. Stiber (Linkus Inc.) and one public member (SDG&E).

4. SEATING OF ALTERNATES

Mr. Kennedy stated for the record that Mr. Marnett would be taking a voting seat.

5. ADDITIONS/DELETIONS/AMENDMENTS TO THE AGENDA (Government Code §54954.2)

There were no additions/deletions/amendments to the agenda.

6. PUBLIC COMMENT RELATING TO ITEMS NOT ON THE AGENDA

There were no public comments.

Ayes: Member Prince, Member Taufer, Member Brazier, Member Kirby, Member Ratican, Alternate Marnett.

#### 8. DISCUSSION AND POSSIBLE ACTION TO APPOINT 2017 COMMITTEE OFFICERS

Mr. Prince requested deferring the discussion to appoint 2017 committee officers to next month's committee meeting.

## 9. DISCUSSION AND POSSIBLE ACTION REGARDING WATER INFRASTRUCTURE AND SYSTEM EFFICIENCY PROGRAM (WISE)

Mrs. Kirkpatrick introduced Mr. Stiber from Linkus Incorporated who would provide a presentation on the WISE Program and discuss the results of the recently completed high level audit. Mr. Kennedy mentioned the program was funded through SDG&E.

Mr. Stiber said the WISE Program provides energy and engineering solutions. He pointed out WISE targets the major water-energy users in SDG&E's service territory, namely water agencies, special districts, and city owned water systems to provide incentives and savings. He mentioned WISE focuses on all the major electric consumers such as source water pumping, water treatment plants, water distribution systems and wastewater treatment plants.

Mr. Stiber discussed the WISE Program phased approach as follows:

Phase 1: High level assessment to identify any potential measures to provide a high level economic and engineering analyses to show the potential for different measures.

Phase 2: Detailed assessment more rigorous engineering analysis plus full economic analysis to produce a project feasibility study.

Phase 3: Implementation support through verification of savings allowing the utility to obtain the incentive money.

Mr. Stiber discussed the District's Phase 1 results and recommendations. He said the potential for improvements were based on actual pump test data from the District. He noted the causes for pump inefficiencies vary where the pump could be off on the curve or there could be an equipment problem. Mr. Kennedy asked how the savings amount would be calculated if the problem has not been identified. Mr. Stiber responded by evaluating the operational conditions and pump tests. Discussion ensued.

Mr. Stiber stated the recommendation would be to perform pump upgrades to improve efficiencies up to 72%. He also said energy savings were also based on increasing hours of operation for pumps with lower energy intensity and decreasing hours of operation for pumps with high energy intensity to match demands.

Mr. Stiber said the next step would be to go forward with Phase 2 to perform a more rigorous analysis and prepare a project feasibility report. Discussion ensued.

Mr. Kirby requested an explanation of the District's costs compared to the savings. Mr. Kennedy responded based on the pump efficiency improvements of approximately \$250M the District would save approximately \$50K a year, although many factors need to be considered first. Discussion ensued.

Mr. Stiber stated the Phase 2 request form would need to be completed in order to go forward. Mrs. Kirkpatrick asked the engineering committee for a vote on whether to approve a recommendation to go forward with Phase 2 of the WISE Program. She noted it would be at no cost to the District.

Motion: Recommend to approve Phase 2 of the WISE Program.

Action: Approve, Moved by Member Prince, Seconded by Member Kirby.

Vote: Motion carried by unanimous vote (summary: Ayes = 6).

Ayes: Member Prince, Member Taufer, Member Brazier, Member Kirby, Member

Ratican, Alternate Marnett.

#### 10. CAPACITY FEE UPDATE

Mr. Kennedy went over the draft Water and Sewer Capacity Fee Study. He summarized the basic methodologies to calculate cost-based capacity fees. He mentioned the current water meter fees and water service connections by customer class for FY2016 was 7,250 connections. He pointed out the usage by customer (specifically the agriculture customer) used a lot more water for a given size meter than a residential customer, therefore the agriculture customer has been allocated a much higher EDU/Capacity fee. Discussion ensued.

Mr. Kennedy said part of the process of the capacity fee study would include the system cost study and audit updates of the District's system costs to accurately demonstrate the total asset value. He mentioned the consultant has ensured the basic methodologies used to calculate cost-based capacity fees were compliant with state laws and statutes. Discussion ensued.

Mr. Kennedy stated the proposed sewer capacity fees would be based on the living area square foot instead of the existing fees based per bedroom. Discussion ensued.

Mr. Kennedy invited feedback on the draft water and sewer capacity fee report.

#### 11. AUTOMATIC METERING INFRASTRUCTURE (AMI) UPDATE

Mr. Kennedy said the District has completed the agreement with SDG&E for the Automatic Metering Infrastructure system. He stated the agreement with Itron has not been completed due to warranty issues, although a meeting has been scheduled to resolve the issues. He said SDG&E has been testing the meters at their test facility to ensure quality products prior to system integration. Discussion ensued.

#### 12. INTRODUCTION OF EXCELLENCE COIN PROGRAM

Mrs. Harp announced the Operations Manager brought the concept of the Excellence Coin Program to the District. She explained the excellence coin is a tangible symbol of what we are committed to as members of the District. She described the coin's outer edge has the mission statement, one side has the strategic focus areas, and the other side has a map of the District as well as the core values identified. Mrs. Kirkpatrick thanked the Engineering Committee members for all the time and effort they donate to the committee. She presented a coin to each member. Discussion ensued.

## 13. LIST OF SUGGESTED AGENDA ITEMS FOR THE NEXT SCHEDULED ENGINEERING SERVICES COMMITTEE MEETING

The following items were suggested for next month:

- Appoint 2017 Committee Officers.
- Water & Sewer Capacity Fee Study Update.
- AMI Update.
- SLRGW Study West Yost.

#### **SUBJECT**

DISCUSSION AND POSSIBLE SELECTION OF DIVISION THREE DIRECTOR AND APPROVAL OF RESOLUTION NO. 17-05, A RESOLUTION APPOINTING \_\_\_\_\_\_ AS DIRECTOR OF DIVISION THREE OF THE RAINBOW MUNICIPAL WATER DISTRICT

#### **DESCRIPTION**

On December 31, 2016 Director Tory Walker resigned from the Board of Directors thereby leaving the Board seat for Division Three vacant. Staff advised the Registrar of Voters office of the vacancy and posted the notice of vacancy in the Division Three area as well as on the District website on December 7, 2016. In addition, the vacancy was announced in our RMWD Newsletter as well as in an article in The Village News newspaper.

The person appointed to fill this vacancy will hold the seat until the next election, which will be November 2018; they may run for reelection at that time for a four-year term that will end in 2022.

In accordance with Government Code Section 1780, the Board has three options:

- 1. Appoint a resident of Division Three to serve the remainder of the term.
- 2. Call for a special election to fill the vacancy. In this case the election would likely be held in the next primary election. The District would pay the cost of the election.
- 3. If neither an appointment of a replacement nor a call for an election is completed within 60 days, the County Board of Supervisors may appoint the person of their choice to serve the remainder of the term.

At the December 6, 2016 Board meeting staff was directed to proceed with the solicitation of interested persons for the Board to consider for appointment to the Board. Interested persons were asked to contact the District with their name, address, contact information, and brief background of their education and experience as part of the application process no later than 12:00 p.m. on January 15, 2017. A list of prospective appointees will be forwarded to the Board prior to the meeting.

#### **POLICY**

Government Code 1780

#### **BOARD OPTIONS/FISCAL IMPACTS**

The Board may appoint a successor for Director Tory Walker, hold a special election to allow voters to elect a successor, or allow the County Board of Supervisors to make the appointment. The appointee will hold the seat until December 7, 2018.

#### **BOARD OF DIRECTORS**

January 24, 2017

#### **SUBJECT**

CONSIDER REVISION OF EXISTING AGREEMENT (#99-026) BETWEEN RAINBOW MUNICIPAL WATER DISTRICT AND OAK CREST ESTATES, INC. CO-OP

#### **BACKGROUND**

In 1993, The California Regional Water Quality Control Board (CRWQCB) adopted Order #93-69, prescribing requirements for the discharge of domestic waste by the Oak Crest Estates mobile home park. Rainbow Municipal Water District is a co-Permittee on this Order. This Order established waste discharge requirements for the disposal of up to 0.012 million gallons per day (MGD) of treated domestic wastewater from Oak Crest Estates. The treated wastewater is disposed by spray irrigation covering approximately five (5) acres.

The wastewater treatment facility serves 112 units within the mobile home park. The treatment facility is an extended aeration package treatment plant which produces secondary effluent that is not chlorinated before it is discharged to the disposal area. The facility includes two (2) concrete-lined storage ponds with a total capacity of 1.2 million gallons. The plant is fenced off to prevent public access for safety and security reasons.

Rainbow Municipal Water District (RMWD) is required to meet and follow State Water Resources Control Board (SWRCB) requirements under Title 23 of Division 3 of Chapter 26: Wastewater Treatment Plant Classification, Operator Certification & Contract Operator Registration Code of Regulations, regarding Wastewater Treatment Plant classification, operator certification and contract operator registration for the Wastewater Treatment Plant Operator Certification Program. These regulations have been revised in the last several years and these revisions became effective April 1, 2013.

Historically, the plant was legally allowed to operate without advanced treatment certifications due to its small size. In our previous agreement (#99-026 - attached), Oak Crest agreed to pay the District for our staff time required to assist Oak Crest staff in the day to day operation of the plant. Over our entire history of operations with Oak Crest there have been no operational failures or notices of violation from the SWRCB. Our most recent inspection was concluded with no issues identified.

#### **DESCRIPTION**

On June 22, 2016, the District received a letter from SWRCB requiring the District to fill out an application regarding wastewater plant classification. In return, the District submitted them a fully completed application as requested. On September 27, 2016 RMWD received a notice stating the plant was classified as a Grade III Wastewater Treatment Plant requiring a Wastewater III Certification or higher to operate and maintain.

RMWD does not have staff members with this level of certification, and State certification rules preclude any RMWD employee from obtaining this level of certification. State rules require full time employment at a much larger plant to obtain a Grade III certification, which is impossible for our staff. Working with Oak Crest staff, RMWD staff then contacted various entities and agencies seeking qualified wastewater treatment operators willing to manage this private treatment plant. After seeking cost effective solutions by partnering with other local agencies and contract treatment firms, the District entered into a short term (four month) contract with a local contract operator, Water Quality Specialists (WQS).

The District also notified Oak Crest that the costs associated with the WQS contract exceeded the costs provided in our existing contract for operations. The management at Oak Crest was given 120 days to decide whether they wanted to contract operations independently, or revise our operations agreement in order to fully compensate the District for the cost of WQS and the limited staff time that the District will have to oversee the contract. After considerable discussion, the Oak Crest Board of Directors requested that the District hire WQS and they would agree to pay all costs associated with the contract.

#### POLICY/STRATEGIC PLAN KEY FOCUS AREA

Strategic Plan Focus Area Five: Customer Service – As co-Permittee with Oak Crest, the District has an obligation to participate in the operation of the plant. This agreement is an extension of a long term partnership that the District has had with the Oak Crest community.

#### **BOARD OPTIONS/FISCAL IMPACTS**

The District has executed a contract for wastewater treatment and disposal services for Oak Crest Estates with WQS in the amount of \$1,950 per month. Oak Crest approves of the contract and agrees to reimburse the District monthly for 100% of this monthly fee. The current fee is valid through September 2017 at which point the fee may change.

The District will provide Administrative oversight of the wastewater treatment and disposal services, primarily reviewing of reports submitted to the CRWQCB. All wastewater treatment and disposal operations will be conducted by Oak Crest Staff and the third party contractor. Oak Crest agrees to pay a fee of \$100 per month to the District for this administrative oversight. The District will review its actual costs on an annual basis and inform Oak Crest of any changes to the cost this oversight.

As a material part of this agreement, Oak Crest agrees to cooperate with RMWD to negotiate new fees with the current contractor prior to September 2017 or take steps to replace the current contractor with a replacement contractor that is acceptable to both Oak Crest and the District. In any event, Oak Crest shall be liable for all fees and expenses of the third party contractor whose services will be provided pursuant to a contract with the District.

Staff recommends the Board of Directors to approve one of the following options:

- 1. Approve newly revised agreement between Rainbow Municipal Water District and Oak Crest Estates, Inc., Co-Op.
- 2. Disapprove newly revised agreement between Rainbow Municipal Water District and Oak Crest Estates, Inc., Co-Op and follow Board's direction.
- 3. Direct RMWD Staff to come up with a different solution or agreement.

Staff recommends Option #1.

## AMENDMENT OF WASTEWATER AGREEMENT BETWEEN RAINBOW MUNICIPAL WATER DISTRICT AND OAK CREST ESTATES INC, CO-OP

This amendment to the District Agreement number 99-026 between Rainbow Municipal Water District and Oak Crest Estates Inc. Co-op is made and entered into between RAINBOW MUNICIPAL WATER DISTRICT, a municipal water district of the State of California (hereinafter referred to as "District") and OAK CREST ESTATES INC. CO-OP, a California corporation, (hereinafter referred to as "Oak Crest") in view of the following facts:

- A. Oak Crest is an incorporated cooperative responsible for supplying certain services to homeowners in the Oak Crest Estates area, and
- B. Oak Crest independently owns a wastewater collection, treatment, and disposal system, and
- C. The District is a named co-Permittee on the San Diego Regional Water Quality Control Board (RWQCB) Order 93-69 which establishes waste discharge requirements for the operation of the treatment and disposal systems, and
- D. The District has no operational involvement in the operation of the wastewater collection system owned and operated by Oak Crest, and
- E. Recent changes in regulations of the State of California require that the wastewater treatment and disposal systems be operated by personnel with State of California certification levels that exceed that of the staff at Oak Crest or the District, and
- F. Oak Crest wishes to retain the services of a third party contract wastewater operations firm to provide wastewater treatment and disposal oversight in compliance with State of California regulations, and
- G. Oak Crest's Board of Directors has approved in principle the cost allocation of the third party services to Oak Crest, and
- H. Both Oak Crest and the District desire to modify the existing District Agreement number 99-026 to incorporate appropriate cost allocation of these third party services.

#### NOW THEREFORE, IT IS AGREED AS FOLLOWS:

1. The District shall remain a co-permittee in Order 93-69 and no part of this amendment modifies the name of the discharger on RWQCB Order 93-69.

- The day to day operations of the wastewater treatment and disposal system will be managed for Oak Crest by a third party contractor with the appropriate licenses and certifications to perform the work. At the time of execution of this amendment, the third party contractor is Water Quality Specialists.
- 3. If Oak Crest or the District wishes to replace the current contractor providing wastewater treatment and disposal services, both parties must agree in writing prior to the change.
- 4. The District will provide Administrative oversight of the wastewater treatment and disposal services, primarily review of reports submitted to the RWQCB. All wastewater treatment and disposal operations will be conducted by Oak Crest staff and the third party contractor. Oak Crest agrees to pay a fee of \$100 per month to the District for this administrative oversight. The District will review its actual costs on an annual basis and inform Oak Crest of any changes to the cost of Administrative oversight
- 5. The District has executed a contract for wastewater treatment and disposal services for Oak Crest with Water Quality Specialists in the amount of \$1,950 per month. Oak Crest hereby approves of the contract and agrees to reimburse the District monthly for 100% of this monthly fee. The current fee is valid through September 2017 at which point the fee may change.
- 6. As a material part of this agreement, Oak Crest agrees to cooperate with District to negotiate new fees with the current contractor prior to September 2017 or take steps to replace the current contractor with a replacement contractor that is acceptable to both Oak Crest and the District. In any event, Oak Crest shall be liable for all fees and expenses of the third party contractor whose services will be provided pursuant to a contract with District.
- 7. District shall not be responsible or liable for any repairs or replacement of any portion of the plant, any laboratory costs or expense, any ground maintenance, or any annual RWQCB fees. Such repairs, costs, and fees shall be the sole responsibility of Oak Crest. Oak Crest shall reimburse District for any costs incurred for laboratory testing, RWQCB fees, or any other fees associated with this treatment system.
- 8. Oak Crest shall indemnify and save harmless District, and its directors, officers, employees and agents, from any and all claims, demands, losses, costs and causes of action of any nature, and any expense incident to defense thereof (including attorney's fees), for damages for death or bodily injury to persons, injury to property, or any other loss, damage or expense arising out of the operation of the Oak Crest sewage treatment and disposal system or the performance of this agreement, except for and arising from the negligence or willful misconduct of District or its directors, officers, employees, or agents.
- 9. General Liability insurance shall be provided by Oak Crest in the amount of one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury, and property damage. The general liability policy is to contain, or be endorsed to contain, the following provisions:

- a. The District, its directors, officers, employees, or authorized volunteers are to be given insured status (via ISO endorsement CG 2010, CG 2033, or insurer's equivalent for general liability coverage) as respects: liability arising out of activities performed by or on behalf of Oak Crest; and premises owned, occupied or used by Oak Crest. The coverage shall contain no special limitations on the scope of protection afforded to the District, its directors, officers, employees, or authorized volunteers.
- b. For any claims related to this project, Oak Crest's insurance shall be primary insurance as respects the District, its directors, officers, employees, or authorized volunteers. Any insurance, self-insurance, or other coverage maintained by the District, its directors, officers, employees, or authorized volunteers shall not contribute to it.
- c. Coverage shall not be canceled by either party, except after thirty (30) days (10 days for non-payment of premium) prior written notice by U.S. mail has been given to the District.
- d. In the event any change is made in the insurance carrier, scope of coverage or retroactive date of liability coverage required under this agreement, Oak Crest shall notify the District prior to any changes.
- e. All of the insurance shall be provided on policy forms satisfactory to the District. All insurance correspondence, notations, certificates, or other documents from the insurance carrier or agent/broker shall each reference this agreement.
- 10. This agreement may be terminated at any time by either party upon the giving of 90 days written notice to the other. Upon such termination, Oak Crest shall pay District all remaining sums due and owing for services provided by District or the third party contractor to the date of termination. Immediately upon issuance of notice of termination, Oak Crest shall make application to the RWQCB to remove the District from the operating permit for this facility.
- 11. Notices given pursuant to this agreement shall be deemed given upon deposit in the United States Mail, postage prepaid, and addressed to the following:

Oak Crest Estates Inc. Co-Op 4747 Oak Crest Road Fallbrook, CA 92028

Rainbow Municipal Water District Attn: General Manager 3707 Old Highway 395 Fallbrook, CA 92028

- 12. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
- 13. Further Assurances. Each party to this Agreement shall execute all instruments and documents and take all actions as may be reasonably required to effectuate this Agreement.
- 14. Venue and Jurisdiction. For purposes of venue and jurisdiction, this Agreement shall be deemed made and to be performed in the County of San Diego, State of California.
- 15. Counterparts. By their signatures below, each signatory represents its authority to enter into this Agreement. This Agreement may be executed in counterparts, and if so executed, each such counterpart shall have the full force and effect of an original. If this Agreement is originally executed and a copy or counterpart thereof is transmitted by facsimile or electronic mail, such transmitted document shall be deemed to be an original.
- 16. Modification. This Agreement may be modified only by a contract in writing executed by the party to this Agreement against whom enforcement of such modification is sought.
- 17. Prior Understandings. This Agreement contains the entire agreement between the parties to this Agreement with respect to the subject matter of this Agreement, is intended as a final expression of such parties' agreement with respect to such terms as are included in this Agreement, is intended as a complete and exclusive statement of the terms of such agreement, and supersedes all negotiations, stipulations, understandings, agreements, representations and warranties, if any, with respect to such subject matter, which precede or accompany the execution of this Agreement.
- 18. Successors in Interest and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the successors in interest and assigns of each party to this Agreement. Nothing in this Paragraph shall create any rights enforceable by any person not a party to this Agreement, except for the rights of the successor in interest and assigns of each party to this Agreement, unless such rights are expressly granted in this Agreement to other specifically identified persons.
- 19. This agreement shall supersede the agreement between the parties approved by the District Board of Directors on July 7, 1999.

#### Darren:

This letter is to inform you that the Governing Board of Directors for Oak Crest Estates voted in favor of extending the contract with Water Quality Specialists (WQS) to oversee the operations at our sewer plant.

We understand that WQS's fee will remain the same as under their current contract with Rainbow Municipal Water District (RMWD) at \$1,950 per month. We also understand that we will remit monthly payments to RMWD who will in turn remit to WQS.

Thank you,

## AGREEMENT BETWEEN RAINBOW MUNICIPAL WATER DISTRICT AND OAK CREST ESTATES INC. CO-OP

This agreement is made and entered into between RAINBOW MUNICIPAL WATER DISTRICT, a municipal water district of the State of California (hereinafter referred to as "District") and OAK CREST ESTATES INC. CO-OP, a California corporation, (hereinafter referred to as "Oak Crest") in view of the following facts:

- A. Oak Crest is an incorporated cooperative responsible for supplying certain services to homeowners in the Oak Crest Estates area, and it owns and operates a sewage disposal system.
- B. District supplies water to persons residing within the Oak Crest Estates, and supplies sewer service to other areas within the District. District has in its employ persons possessing appropriate experience to supervise and operate the Oak Crest sewage disposal system.
- C. The parties desire by this agreement to provide for District assistance in the operation of the Oak Crest sewage disposal system.

#### NOW THEREFORE, IT IS AGREED AS FOLLOWS:

- District employees shall visit the Oak Crest wastewater treatment facilities once per week and shall provide advice regarding the operation of the system. Reports shall be prepared for the Regional Water Quality Control Board (RWQCB) as per Order 93-69.
- 2. For such advice and reporting, Oak Crest agrees to pay District \$3,327.00 annually. Payments shall be made in twelve equal monthly installments of \$277.25 each, payable in advance on the first day of each month, starting on the first day of the month following the date of execution of this agreement. The parties shall mutually agree upon amounts to be paid in subsequent years. This agreement shall be renegotiated every two years.
- 3. District shall not be responsible or liable for any repairs or replacement of any portion of the plant, any laboratory costs or expense, any ground maintenance, or any annual RWQCB fees. Such repairs, costs, and fees shall be the sole responsibility of Oak Crest. Oak Crest shall reimburse District for any costs incurred for laboratory testing, RWQCB fees, or any other fees associated with this treatment system.

- 4. Oak Crest shall indemnify and save harmless District, and its directors, officers, employees and agents, from any and all claims, demands, losses, costs and causes of action of any nature, and any expense incident to defense thereof (including attorney's fees), for damages for death or bodily injury to persons, injury to property, or any other loss, damage or expense arising out of the operation of the Oak Crest sewage treatment system or the performance of this agreement, except for and arising from the negligence or willful misconduct of District or its directors, officers, employees, or agents.
- 5. General Liability insurance shall be provided by Oak Crest in the amount of one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury, and property damage. The general liability policy is to contain, or be endorsed to contain, the following provisions:
  - a) The District, its directors, officers, employees, or authorized volunteers are to be given insured status (via ISO endorsement CG 2010, CG 2033, or insurer's equivalent for general liability coverage) as respects: liability arising out of activities performed by or on behalf of Oak Crest; and premises owned, occupied or used by Oak Crest. The coverage shall contain no special limitations on the scope of protection afforded to the District, its directors, officers, employees, or authorized volunteers.
  - b) For any claims related to this project, Oak Crest's insurance shall be primary insurance as respects the District, its directors, officers, employees, or authorized volunteers. Any insurance, self-insurance, or other coverage maintained by the District, its directors, officers, employees, or authorized volunteers shall not contribute to it.
  - c) Coverage shall not be canceled by either party, except after thirty (30) days (10 days for non-payment of premium) prior written notice by U.S. mail has been given to the District.
  - d) In the event any change is made in the insurance carrier, scope of coverage or retroactive date of liability coverage required under this agreement, Oak Crest shall notify the District prior to any changes.
  - e) All of the insurance shall be provided on policy forms satisfactory to the District. All insurance correspondence, notations, certificates, or other documents from the insurance carrier or agent/broker shall each reference this agreement.

- 6. This agreement may be terminated at any time by either party upon the giving of 90 days written notice to the other. Upon such termination, Oak Crest shall pay District all sums due and owing for services performed by District to the date of termination. Immediately upon issuance of the notice of termination, Oak Crest shall make application to the RWQCB to remove the District from the permit for this facility.
- 7. Notices given pursuant to this agreement shall be deemed given upon deposit in the United States mail, postage prepaid, and addressed to the following:

#### **BOARD ACTION**

#### **BOARD OF DIRECTORS**

January 24, 2017

#### **SUBJECT**

DISCUSSION AND POSSIBLE ACTION ON ADMINISTRATIVE CODE VARIANCE REQUEST TO ALLOW EXCHANGE FOR LARGER METER TO MULTIPLE METERS ON THE SAME PROPERTY

#### **BACKGROUND**

Damian Helling purchased an 18+ acre property on 931 Stewart Crest Road adjacent to our Canonita Tank, see attached Figure. There is an existing 2-inch water meter on this property. Damian requested to exchange this meter for multiple smaller meters to be installed on the same lot.

#### **DESCRIPTION**

Per policy 8.11.030.4 Exchange of Meter for Multiple Smaller Meters states owners of parcels presently receiving water service through a District meter that subdivide their property and apply to exchange their original meter for smaller meters to new legal parcels will be given a credit toward the new capacity charges for the new meters. This credit is equal to the amount of capacity for the meter being replaced at current capacity charge rate for that meter size.

Mr. Helling did not subdivide his property and he is requesting he receive credit for his existing 2-inch meter to two 1-inch meters and possibly a ¾" meter, which would be installed on the same property. As stated in the attached letter, he would like to separately meter his guest house and possibly agricultural use on the other side of the road. If Mr. Helling were given approval, he would be responsible to pay for all fees associated with the exchange and costs for a contractor to install the meter services per District standards.

Policy 8.06.010 states the District reserves the right to approve the size, number, and location of all service connections. No more than one service connection may be extended to any single parcel without the consent of the District.

Per policy 8.06.010 the District can allow more than one meter on a parcel. The request to have the meters installed on the same property is rare. Typically, meter exchange requests occur when a larger parcel is split into smaller parcels. However, there are instances in the District where there are multiple meters for one parcel. Staff does not believe there is a problem with having multiple meters serve a parcel. Similar to a single service the utility bills of the multiple meters are ultimately the responsibility of the property owner.

A risk involved with multiple meters on one property is if a lot split were to be done the meters may not be in the appropriate location for each property. This may require a remote meter agreement or meter relocation. Boundary adjustments and lots splits are submitted to the District and can be reviewed at that time with conditions to the owner to follow District regulations.

#### POLICY/STRATEGIC PLAN KEY FOCUS AREA

Administrative Code Sections 8.11.030.4, 8.06.010, 8.16.101

#### **BOARD OPTIONS/FISCAL IMPACTS**

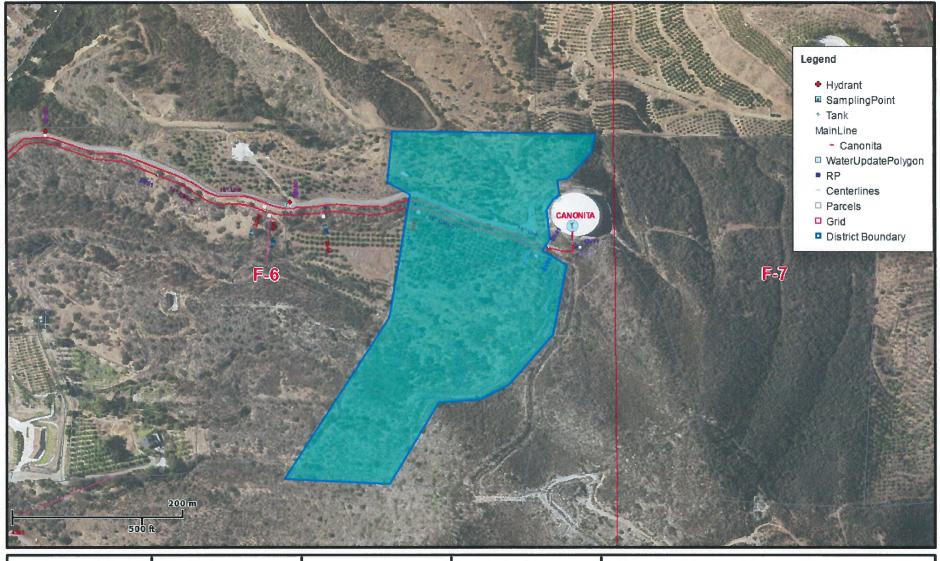

Decrease in monthly fixed fees from a 2-inch to two 1-inch meters of \$110.75 or two 1-inch and a 3/4" meter of \$49.61.

- 1. Approve the variance and allow the exchange and credit of the 2-inch meter to multiple smaller meters to be installed on the same property.
- 2. Do not approve the variance. Mr. Helling cannot receive credit for the 2-inch unless he subdivides the property into smaller legal lots. If he would like multiple meters for his lot he would need to pay the full cost.

#### STAFF RECOMMENDATION

Staff recommends Option 1.

#### **Rainbow Water District**

January 10, 2017

To the Board of Directors,

Thank you for taking the time to consider my request. I recently purchased an 18+ acre property at 931 Stewart Crest Road. When I got it into escrow, I called and asked if I could turn the 2 inch water meter into a couple of 1 inch water meters. I was told that would not be a problem at all, and that there is a credit for the 2inch that would be applied to the water meters. After the close of escrow I went into your office to meet and discuss this matter, further. We came up with the pricing and I said, "Yes, this is something I would like to do." However, the next day I was informed that this is against your policy to have more than one meter on a single parcel. After much discussion with different people, in different departments, I was informed that indeed you can have more than one meter on a parcel but would not be able to use the credit from my 2 inch water meter. I understand that this is standard practice when one is downsizing a large meter to several small meters during a lot split. Therefore, I am humbly requesting that you reconsider the policy and allow me to use the credit applied towards additional meters for this property. I would like to have 21inch meters for the purpose of separating my main house from the guest house. I was also considering a 3/4 inch meter for the purpose of having an agricultural business on the other side of the road. Thanks again.

Sincerely,

Damian Helling

#### **SUBJECT**

DISCUSSION AND POSSIBLE ACTION TO ADOPT ORDINANCE NO. 17-01 AMENDING AND UPDATING RMWD ADMINISTRATIVE CODE SECTION 3.01.010—REGULAR MEETINGS

#### **DESCRIPTION**

At present, Regular Board Meetings are scheduled for the fourth Tuesday of each month of each calendar year with the exception of November and December meetings being combined and held on the third Tuesday in the month of November.

Prior to January 22, 2013, the Regular Board Meetings in the month of November and December were held on the first Tuesday in December; however, due to the holidays and potential lack of a quorum in the month of December, the Board changed this meeting date to the third Tuesday in November. At their October 25, 2016 meeting, the Board voted to change the November 15, 2016 Regular Board meeting to December 6, 2016.

In light of recent changes to the schedule of the combined meeting as well as the November 8, 2016 election results, this item is to provide the Board with an opportunity to review Section 3.01.010 of the Administrative Code and set the Regular Board meeting dates as deemed necessary.

#### Section 3.01.010 Regular Meetings

**3.01.010.1** Regular Meetings of the Board of Directors shall be held on the fourth (4<sup>th</sup>) Tuesday of each calendar month. The November and December meetings shall be combined and held on the third Tuesday in the month of November of each calendar year.

The starting time for the Regular Meeting Open Session Agenda shall be 1:00 p.m.

Prior to the 1:00 p.m. Open Session there may be a Closed Session that is closed to the public for the purpose of discussing confidential matters as allowed by law. The starting time of each Closed Session shall be determined by the General Manager after conferring with District Counsel and the Board President regarding the estimated time necessary to adequately discuss the agenda items. The Closed Session agenda items and starting time will then be published on the Regular Meeting Agenda. Prior to adjourning to the Closed Session there shall be a public comment period to allow interested members of the public the opportunity to comment only on those items on the Closed Session agenda.

The Regular Meeting Open Session will not start before 1:00 p.m. A second public comment period will be held at the beginning of Open Session to allow interested members of the public an opportunity to directly address the Board on any item of interest to the public.

All regular meetings will be conducted in the Board room of the District at 3707 Old Highway 395, Fallbrook, California 92028. The date, time and place of the regular Board meetings shall be reconsidered at least annually at any organizational meeting of the Board.

## Chapter 2.09 COMMITTEES

#### Section 2.09 Committees

The Board shall organize committees that are advisory to the Board with regard to matters within their respective areas of responsibility.

Each committee shall have at least four and no more than seven regular members appointed by a simple majority vote of the Board. Each committee may also have up to two alternate committee members appointed by a simple majority of the Board. Committees may be comprised of Directors, staff, and legal ratepayers of the District. Each committee shall designate their own chairperson. In order to promote attendance by Directors at Committee meetings without inadvertently creating a violation of the Ralph M. Brown Act, no more than one member of the Board of Directors may sit as a member on a Committee. Directors that are not members of a committee may attend as observers, but are allowed to participate at the Committee's request.

Members of the committees serve at the pleasure of the Board. Each committee may elect a vice-chairperson. Members of committees, including the chairperson and vice-chairperson shall serve until their successors are appointed. The chairperson of a committee is its presiding officer and shall be responsible for communicating the recommendation of the committee to the Board. In the absence of the chairperson, the vice-chairperson shall perform the duties of the chairperson. The chairperson and vice-chairperson are not deprived of any of the rights and privileges of a committee member by reason of being the presiding officer.

The initial committee chairpersons and vice-chairpersons will hold their position until January, 2009 at which time the committee members will hold elections to fill both positions. Thereafter the chairperson and vice-chairperson will hold their positions for one calendar year. Committee members will serve a term of four years and may be reappointed at the will of the Board.

Committee meetings shall be held in accordance with the provisions of the Ralph M. Brown Act. Notice of meetings of committees shall be posted 72 hours in advance pursuant to law and shall be considered regular meetings of the committee.

The committee shall record summary minutes of each lawfully noticed committee meeting. The minutes of each committee meeting and any recommendation of a committee shall include a summary of the information presented. District staff will prepare minutes of each meeting. Draft minutes shall be provided to the District Board and Committee Chairs as soon as practical following the committee meeting, and an approved copy shall be provided to the Directors in their monthly agenda packages.

A majority of the members of each committee shall constitute a quorum for the transaction of business.

Only regular members of the committee are entitled to make, second or vote on any motion or other action of the committee. Alternate members present at a meeting, but not seated as a regular member by the committee Chairperson, may participate in discussions but may not participate in motions or voting. Each committee member shall be entitled to one vote on all matters considered by the committee. A simple majority vote of the members of the Committee shall designate approval of a motion.

\\rmwd-b\\Store03\\BoardFiles\\Board Secretary\\Administrative Code Working File\\Board Admin Code 2005-2006\\Committees 2.09.doc\\Approved and Incorporated 3-27-07 by Ordinance No. 07-04\\Amended and Approved 08-28-07 by Ordinance 07-11\\Amended and Approved 11-7-07 by Ordinance 07-17\\Amended and Approved 1-27-09 by Ordinance 09-02\\Amended and Approved 06-24-14 by Ordinance 14-04\\Amended and Approved 9-27-16 by Ordinance 16-13

All committee member absences will be considered by the majority of the committee members to determine whether or not the absence is without cause. Sickness, jury duty, vacation and/or bereavement will be considered excused absences. When three meetings in a row or a total of six meetings in one calendar year are missed the remaining committee members will consider removal of the individual from the committee. The removal must be voted upon and approved by the majority of the committee members with the exception of the committee member in question.

If the roll call of regular members reveals that a quorum of regular members cannot be established, the Chairperson may appoint one or more alternate members who are present to be a temporary regular member in order to establish a quorum. Once a quorum is established, any remaining alternate member who has not been appointed as a temporary regular member shall remain as an alternate member. Once alternates have been seated as a regular committee member, they may immediately participate in any action taken and voted upon by the committee. All alternates must conform to the same rules as regular committee members. The Chairperson shall state for the record which alternate members have been seated as temporary regular members.

Committee Members and alternates shall comply with the obligations and responsibilities of office including the obligation to comply with the disclosure requirements of the Political Reform Act (Form 700). The reporting categories made applicable to the Directors by Rainbow Municipal Water District's local conflict of code shall apply to the members of the committee members.

All committee communications must go through the designated committee chairperson.

A committee has jurisdiction to consider and make a recommendation to staff, other committees and to the Board regarding any item of business within the responsibility of the committee. Committee recommendations shall be communicated to the Board. A committee may consider other matters referred to it by the Board.

The Board may refer a recommendation back to the committee for reevaluation whenever the Board deems additional evaluation is required.

#### 2.09.010 Budget and Finance Committee

The Committee shall work in concert with the General Manager, Treasurer, and Finance Manager of the District.

The Committee shall be responsible for the review of District finances including: rates, fees, charges and other sources of revenue; budget; audit; investments; insurance; and other financial matters.

#### 2.09.020 Engineering Services Committee

The Committee shall work in concert with the General Manager and District Engineer.

The Committee shall be responsible to review matters of design, construction, replacement, and repair of the District facilities and property, including: the Capital Improvement Program; contractor selection process; contractor management programs; and other engineering-related matters.

#### 2.09.030 Communications Committee

The Committee shall work in concert with the General Manager.

Comments: I had a service call on Dec. 9, 2016 re. pressure valve and a temporary shut off so I could install a new shut off and pressure reducing valve. They arrived timely, quickly and skilfully installed what was needed, and waited some extra minutes so I could get the new shut off on so I wouldn't have to have them come back. I can't remember their names but I want their supervisor to know what great employees he has. They actually made the experience fun. Can you be sure the supervisor gets this e-mail? The address for this service is \_\_\_\_\_ Little Gopher Canyon.

Do the job right, for all your water charges and services:

Reorganize the delivery of water route. Climbing mountains and going across people's yards is unacceptable. Put meters next to the road and run their service line up from the road.

No more running someone else's water service under our driveway. Not buried deep enough, it is a constant leak and repair job, tearing up our driveway.

Put meters for Disney Lane on their frontage. Then you won't have to deal with fences. The problem is the weird way water is sent to every new structure when the lots get split. Then people can't have fenced yards. Rainbow takes away their right to an enclosed property.

Call owners. Don't just tresspass all over their property, You are not going to use our private drive as a public road!

This is documentation for an attorney.

#### **SUBJECT**

HUMAN RESOURCES REPORT FOR DECEMBER 2016 / JANUARY 2017

#### **DESCRIPTION**

Personnel changes, human resources activities, and safety report for December 2016 / January 2017

#### **PERSONNEL CHANGES:**

There were no personnel changes to report.

#### **WORKFORCE TRAINING AND DEVELOPMENT:**

#### **Senior Leadership Team Development**

On December 21, the Senior Leadership team began working with the Tamayo Group, the same consultant who helped us develop our strategic plan, on a leadership development initiative. As a relatively new team, this is an important step to building a strong and cohesive leadership team. The General Manager, Human Resources Manager, Operations Manager, Finance Manager and Engineering Manager met with the consultant and discussed accomplishments for 2016 and our visions for the future of our departments.

As a team, we identified our collective vision to create a more efficient and streamlined organization that focuses on continuous improvement and innovation. We are committed to coaching and mentoring our employees to build strong and effective teams that communicate across departments for the good of the District. We reviewed the District's five organizational values and identified specific managerial behaviors to bring those values to life. We identified our individual strengths and areas for development and created a short action plan to start making improvements.

The senior leadership team will have one more meeting with the consultant on February 8th before rolling out a similar process to the Superintendents. Eventually, we will have an all-hands workshop to identify specific behaviors that all employees can exhibit to bring our values to life. These behavioral "anchors" will be used as criteria for the Values coin recognition program and in future performance evaluations.

#### **NEOGOV City Tour Training Event**

The Human Resources Manager attended a training event for NEOGOV on January 10<sup>th</sup>. Topics covered included best practices and system capabilities for all three modules of NEOGOV. Of particular interest was the capability for job-specific competencies in the Perform system. New product features were also covered, including a mobile app, integration with an online testing business partner, and data analytics.

#### **Liebert Cassidy Whitmore Legal Training**

Several employees are scheduled to attend a legal training related to the Americans with Disability Act on January 25<sup>th</sup>. The training will cover the employer's obligation to engage in the interactive process and make reasonable accommodations to enable disabled employees to perform essential functions of a job. The Human Resources Manager, Superintendents, and two Crew Leaders will attend the training.

#### **NEOGOV IMPLEMENTATION:**

NEOGOV was approved by the Board at the October 2016 Board meeting. Implementation began November 10<sup>th</sup>, and the Insight module went live on December 28<sup>th</sup>.

#### **Insight Module**

Insight is the module that houses our online career portal, job description database, and applicant tracking system. All job descriptions have been uploaded, and our website now links to the new careers pages. Visitors to our page who are interested in being informed of future job openings can now subscribe to receive email notification of job postings.

Current openings link: <a href="https://www.governmentjobs.com/careers/rainbowmwd">https://www.governmentjobs.com/careers/rainbowmwd</a> Job opening subscriptions:

#### **Onboard Module**

The implementation kickoff for the second module, Onboard, took place on January 11<sup>th</sup>. Onboard will function as an employee intranet, with forms, activity checklists, online workflows, and document libraries all housed within the system. This will help facilitate improved internal communications and more efficient processes.

#### **EMPLOYEE RECOGNITION:**

#### **Upcoming Service Awards – 10 years**

WAYNE NAULT

February 12, 2017

#### **Customer Compliments**

Two employees received unsolicited written compliments from customers. The full correspondence is in the rate-payer correspondence report.

JUSTIN CHANDLER in Meter Services received compliments from two separate customers this month for delivering exceptional customer service during emergency call-outs.

CHRIS HAND in Wastewater also received a compliment on a customer call-out (along with Justin Chandler) for efficiently fixing the problem and "making the experience fun."

#### **BENEFITS:**

#### Transition to New Plan Year

The transition to new benefits plans went smoothly. Employees who elected the new benefits plans received new cards in the mail, and instructions to set up online accounts and mobile apps. The District funded employees' Health Savings Accounts on January 3<sup>rd</sup>, the first banking day of the plan year.

The Anthem HMO plan did have an error in the system for prescription coverage at the beginning of the year, requiring a \$100 deductible to be met before \$5 copays began. The District was alerted to this error by ACWA-JPIA, who worked to resolve it within a few days.

#### **PTO Cash Out**

Employees may request to cash out unused PTO hours in December of each year for the following year, within certain limits directed by the MOUs. This year 28 employees requested to cash out a total of 3,307 hours. This program will reduce our accrued PTO liability by approximately \$132,000.

#### **LABOR RELATIONS:**

### **Classification and Compensation Review**

Human Resources Manager has developed a Request for Proposals for a Compensation Study to analyze market pricing for our current positions as well as our current salary grade structure.

#### **Notice of Intent to Negotiate**

Both the Rainbow Employees Association (REA) and Rainbow Association of Supervisors and Confidential Employees (RASCE) served their notices of intent to begin negotiating new Memoranda of Understating on or after January 16<sup>th</sup>, 2017.

### **EMPLOYEE EVENTS:**

#### **Breakfast Burrito Bar Event - December 19th**

The leadership team of Managers and Superintendents hosted the District's annual breakfast burrito bar event that traditionally takes place during the holiday season. It was an excellent demonstration of teamwork, with each person pitching in to shop for supplies, set up, chop vegetables, cook, and clean up. The burritos were served buffet-style, and employees gathered in the Board Room for an optional "stealing game" gift exchange. This is one of the workforce's favorite events, and employee feedback was overwhelmingly positive.

#### Annual Employee Recognition Banquet – January 14th

The Events Committee planned all the details for the annual employee recognition banquet, which included a Black and White theme, door prizes, a DJ, a presentation from the General Manager, and the awards ceremony.

DOOR PRIZES: The District used points from our American Express card to get several gift items as door prizes at no cost to the District. Door prizes included an iPad, Apple TV, Fitbit, and an Apple Watch. Each department also donated a themed basket as a door prize, and each employee in attendance received a \$25 gift card, which was also acquired with American Express points.

FUNDRAISERS: An employee-run family photo fundraiser reduced the employees' cost to bring a guest to \$26.00 per guest.

EMPLOYEE ASSOCIATION CONTRIBUTIONS: Both the Rainbow Employees Association (REA) and Rainbow Association of Supervisory and Confidential Employees (RASCE) used association funds to pay the cost of members' guests to attend the banquet so that their members who wanted to bring a guest could do so at no cost.

The Human Resources Manager would like to recognize the Events Committee for their outstanding job planning this event. DAWN WASHBURN, CYNTHIA GRAY, BRAIN FONSECA, JOHN MACCARRONE, SHERRY KIRKPATRICK, RENEE RUBIO, and MARC WALKER worked all year to plan this event.

#### **Quarterly Anniversary Event**

The first quarter Anniversary Breakfast is scheduled for February 14th.

#### **SAFETY**:

#### **New Safety Committee Charter**

The Safety Committee mission statement that had been in place since 2011 was a pre-written statement available online that we had previously adopted. In November, the Human Resources Manager facilitated a workshop to help the committee define a vision for the future and mission statement that are more representative of the needs and values of RMWD. The Committee formally adopted the new charter document at the December Safety Committee Meeting. The document is attached to this report.

#### **Air Pollution Control District Inspection**

December 6<sup>th</sup> and 8th, the Air Pollution Control District conducted a surprise inspection. The Inspector looked at all permitted backup engines that had recordable hours and associated logs. He verified that logs were directly associated with the permitted engines, all permits that required preventive maintenance had been performed, and that the Hobbs Meter was in concert with the log.

These engines are operated by Water System Operations and Waste Water. JERRY KRAFT and RUBEN LOPEZ were very helpful in presenting documentation and operating the engines when required by the inspector. All documentation was in order as well the operation, resulting in a Certificate of Compliance with no findings or fines.

#### **Ergonomics**

Sit/stand workstations are being purchased for the Boardroom, the Customer Service window, and two other employees' offices.

#### Office Safety Program

The office safety meeting was conducted on December 15<sup>th</sup>. Cynthia Gray facilitated the meeting that focused on Stress Management during the holidays.

#### Incidents

It has been 418 days since our last worker's compensation claim.

It has been 728 days since our last lost time injury.

#### **Safety Training**

Target Solutions: 49 completions for November and December.

#### Tailgate topics included:

• Stretch for Safety: 34 Employees

Safe Winter Driving: 32 Employees

Sprains & Strains: 30 Employees

House Keeping: 35 Employees

# **Safety Committee Charter**

The Rainbow Municipal Water District Safety Committee exists to encourage and enable employees to have a voice in the shaping of a culture of safety by providing employees a forum to discuss methods to mitigate risks, promote safe work practices, and hold the District to the highest safety standards.

### Vision

We aspire to be an industry leader in the design of innovative safety programs that set new standards for accident prevention that also enhance operational productivity.

### Mission

The Safety Committee serves our employees, ratepayers, contractors, and the public by contributing to the development and oversight of pro-active safety programs that minimize hazards and injuries through education, technology, compliance, and recognition of employees who are setting a positive example of safe work practices.

### **Values**

The Committee will operate in alignment with the District's core values, as follows:

## Integrity

We will take personal ownership to ensure that every employee understands that there is always time to work in full safety and regulatory compliance, without cutting corners.

#### Professionalism

We will lead by example, elevate expectations, educate the workforce, and hold our employees, management, and our contractors accountable to the highest safety standards.

## Responsibility

We will create an environment where employees are safe at work, and feel free to speak up without reprisal when they have safety concerns. In the interest of public safety, we will hold our contractors accountable for safe practices on our job sites.

#### Teamwork

We will support and watch out for each other by participating in open communication and listening to the ideas and concerns of our colleagues with respect and empathy.

#### Innovation

We will pro-actively seek novel ideas for safety programs by inviting guest speakers, networking, visiting other organizations, and rotating members with the goal of obtaining a continuous flow of pioneering and actionable ideas.
