Rainbow Municipal Water District Provisions:

The Contractor shall protect all existing improvements. Any existing improvements which are damaged or removed during the course of construction shall be repaired and/or replaced. All construction shall be in accordance with current District Standards and Specifications, approved plans, and the San Diego County Regional Standards. Construction shall not block or prevent access across the easement. Upon completion of the work the applicant shall clean the right-of-way of all debris, trees, brush, excess materials, temporary structures and equipment. Grounds and landscaping shall be restored to the approval of the property owner. Approved encroachments will require an Encroachment Permit signed by the Owner and recorded at the County Recorder's Office. This application is subject to the approval of the District.

I hereby certify that all information provided in this application is true and I have read and agree to comply with the conditions listed above.
